Aubrey, from the OWFC 6th XI, is shaving all his hair off to donate to girls with cancer. It's really nice hair as well. (See photo) In 24 hours he has raised £400 all ready. Would be great if we could share this with the all the clubs chats. Such a fantastic cause. Any donations will help.

The Annual Alf Parish Memorial darts match will take place on:

Friday March 21st at Selhurst Park

As well as being an opportunity to remember Alf, this is a fun evening and is a great fund-raiser for Old Wilsonians

Both the Football and Cricket Clubs enter teams, both have been former winners, and both regard it as part of their fund-raising activities
Men of the Hill are also entering a team and we expect up to a dozen sides to be participating

Crystal Palace pay for everything – including a free buffet and some excellent raffle prices – whilst ***Steve Parish,*** son of Alf, hopes to be there, and ***Mark Bright,*** the former Palace striker who used to frighten opposing defences with his partner in crime, Ian Wright, has already confirmed his attendance

If you want to play for one of the OW teams please contact:

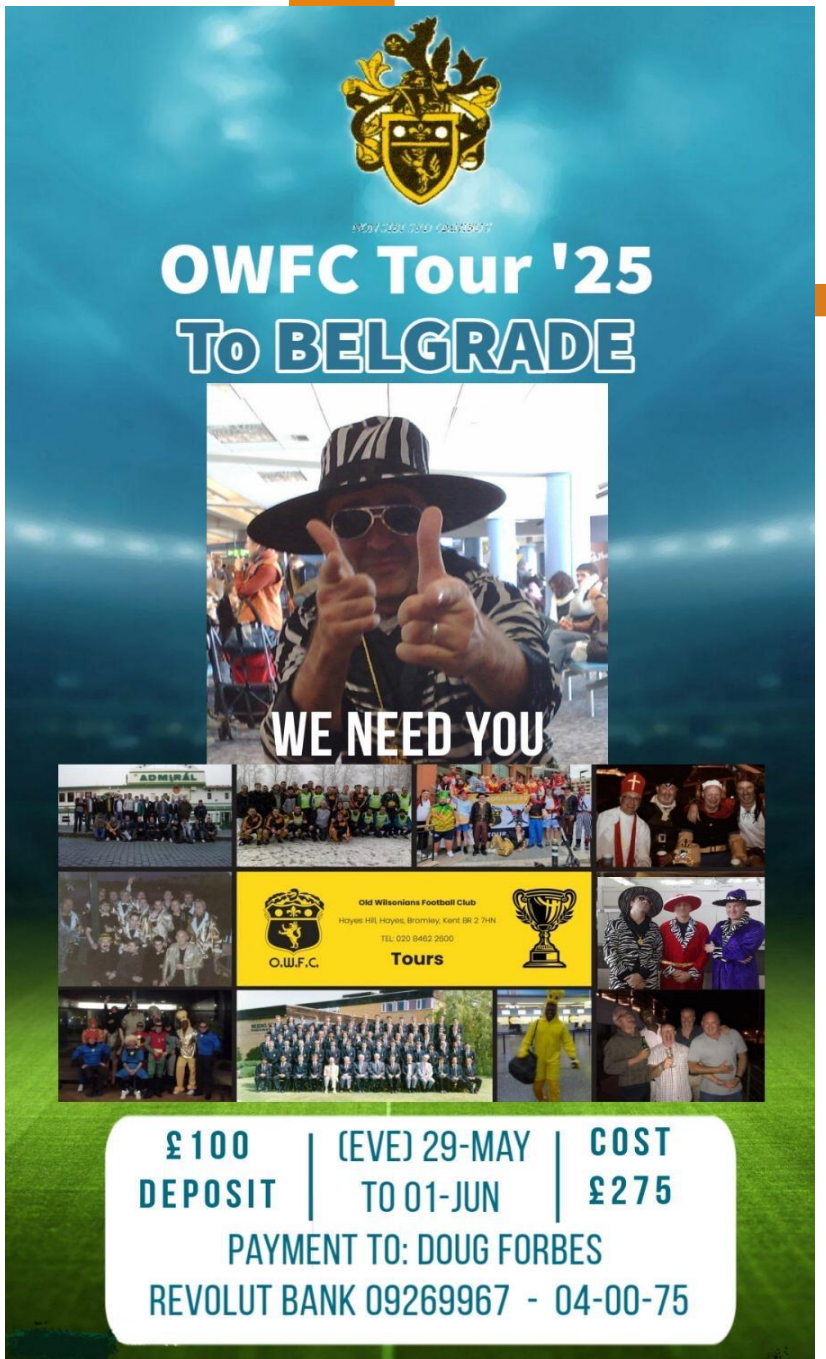

Cricket:	**Syd Sherlock**
Football:	**Dan Harris**
Men of the Hill:	**Doug Forbes**

Admission is £10 for players and £5 for those who wish to support the evening.
A Trade Union Branch has donated £300 towards the evening and, remember, ***every penny raised will be spilt evenly between every participating team***

I know that there are many Palace supporters within the OWs, so this is a chance for you to see the Club from the inside as well as knowing that one of the main beneficiaries will be the Old Wilsonians

OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With the influx of juniors and schoolboys , plus training and most team playing through the summer. Our hopes are high. We have expanded to 7 teams on Saturday & the Vets have joined the vets league on Sundays . Supervets will continue to play friendlies on Sundays.

We have raised annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees . junior members paying annual subs to the junior section. & schoolboys pay no annual subs but £5 weekly subs. Vets due to the number of games pay annual subs , Supervets £20 per game . Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30thSeptember 2024 . We are using pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by £3,500 to £22,500 per annum . The reason is ground maintenance (looking after both hayes & hawesdown) costs £60,000 per year , utilities has gone from £21,000 in 2021 to over £50,000 in 2024. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible

Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club.

Heres to a great season , good luck & enjoy

Alex Forbes

OWFC Assistant treasurer

8/2/25 - Nottsborough 1-2 Old Wilsonians 1st XI

With both 1s captains away, presumably at some sort of tactics conference, club captain Sam James on loan to Benidorm FC, and Pat Kirby out with a brain injury that saw him choose to go to the rugby, it was a much changed 1s team that faced Nottsborough at a wet and boggy Kingston University Sports Ground.

In challenging conditions, it was a clash of styles as Nottsborough looked to go direct and hit the channels at every opportunity while Old Wilsonians, in perfectly laundered shirts, looked to get the ball down and play through the lines.

It was the route one approach that paid dividends first. Confusion in the box following a ball over the full back resulted in a slotted finish and an early lead for the home side. The 1s did improve, creating some chances from long throws and set pieces, but with their right winger repeatedly burning Cooper for pace, things were by no means chanceless at the back. On the stroke of half time the full back took matters in to his own hands, making use of the wet conditions to slide in from metres away and clear his tormentor into touch. He took his well deserved yellow on the chin, the sides went in 1-0 at the break and neither player re-emerged for the second half.

After a frankly sluggish first half performance, the 1s returned reinvigorated by a half time speech from Captain Beatson, but still had to survive another scare with only a goal line clearance from J White keeping the difference at one.

Eventually, amongst all the scrapping and slide tackles, our quality began to tell. Leo Onye asked the ref how long was left and on being told 20 minutes decided enough was enough. He beat his man for the umpteenth time and squared to Harley who found the bottom corner with a composed left footed finish. A couple of minutes later Leo Messi was at it again, linking up with fellow junior Mitch before dancing into the box. His left footed shot (supposedly) hit an opposition hand and the ref pointed to the spot. Gowtham slotted it home for a Wilsonians lead.

8/2/25 - Nottsborough 1-2 Old Wilsonians 1st XI

Having turned things around, all that was required was a composed 15 minutes to see out the game. Instead we opted for the frantic end to end approach. Several times the defence found themselves sprinting back towards their own goal, but some last ditch defending got us out of trouble. At the other end, S White took out the defence with a lovely first touch, opted for the 40 yard chip and sent the keeper jogging down the hill to fetch the ball from wide of the post.

Finally, with the referee's watch audibly beeping, but the ref refusing to say how long was left, the 1s dug deep for another couple of minutes and were rewarded with a hard earned 3 points. Not a pretty performance, but a day when everyone rolled their sleeves up and refused to go home without 3 points. The sort of attitude that now sees us top of the league, and the sort of attitude that will keep us there if we keep it up.

Match Report
OW 2s 4-1 Southbank

It was a wet and muddy afternoon in Hayes but OWs were keen to continue their impressive form and make it 4/4 since Christmas.

Despite the conditions, the hosts got off to a flying start, taking the lead through BOGAARD after some excellent build up play. An aerial duel won by FITZGERALD allowed AMRANE to bring the ball down and play it wide to MANSFIELD who delivered a pinpoint cross for BOGAARD to finish. 1-0 OWs. The second goal came in similar fashion, with BOGAARD providing the ball into the box for AMRANE who showed great composure to bring it down and slot past the keeper. After doubling their lead OWs looked to be in control of the game. However, Southbank were handed a lifeline after a controversial penalty was awarded against QUASHIE. Despite protests from the home side, the visitors converted from the spot to make it 2-1 and shift the momentum before half time.

The second half started scrappily but OWs soon reasserted themselves. A foul on CATTOB inside the box earned the home side a penalty of their own. SHELTON stepped up and rifled his effort into the bottom corner. 3-1 OWs. With Southbank chasing the game, OWs punished them on the counter with a devastating break. A superb diagonal ball found MANSFIELD in space, and he delivered another dangerous cross into the box for BOGAARD, who made no mistake in grabbing his second of the game. With 20 odd minutes to play OWs kept it tight, seeing out the remainder of the game to secure another well earned victory

Ow4 vs Merton.

On a cold Saturday afternoon the 4s played host to Merton. The 4s lined up with a strong team with Louie tasked with filling the Toby Shelton shaped whole in the heart of the 4s defence. This however did not go down very well with Louie who found himself having his weekly sulk before a ball had even been kicked. A slow start for the 4s saw Merton take an early lead through some questionable defending from Louie (clearly missing his goggles) allowed the Merton striker to run through and put them one nil up. After finding themselves 1-0 down the 4s picked themselves up and started pushing for an equaliser. Matt was first to go close taking on half the team before narrowly missing the target. Towards the end of the half, Cejay would try his luck against the Merton defence. However instead of finding the back of the net , the ball thundercunted its way towards sonny's bollocks. Fortunately for the rest of the 4s this meant sonny had to come off. Further increasing the odds of a comeback. At half time the 4s went in trailing 1-0 looking for inspiration from Toby Shelton who was forced to swap the pitch for the dugout following his diagnosis of brain damage. With a truly motivational team talk under their belts the 4s would return for the second half hoping to turn the scoreline around. A quick start to the second half saw the 4s win a free kick on the edge of the box. A beautiful delivery from the free kick saw the so called page 7 fella Max Exelby (icl I still have no idea what that's meant to mean) score his seemingly weekly headed goal. This made it 1-1 and the 4s were back in the game. With the 4s wanting more , celebrations were limited with the 4s grabbing the ball in preparation for the restart. Whilst the general consensus amongst the majority of the 4s was to push on and win the game it would seem that Trey never got the message, Instead deciding to turn into Chelsea Timo Werner missing not one but 2 absolute sitters. I reckon Even Lucas could've scored them!! With the gme still level at 1-1 the 4s would look towards Magnus Wright in there search to take the lead, with him picking the ball up in the box and lobbing the Merton goalkeeper. The goal took a huge deflection of the Merton cb to which magus would thank him , by calling him a ginger twat. This would help set the scene for a royal rumble 5 minutes later where Magnus and the ginger cb would get into each others faces over the cb feeling Magnus kneed him in the eye. Tbh I reckon the gingers head was gone and he just wanted a scrap. Anyway with cards to both Magnus and the so called ginger twat , from the worst ref I've ever had, the 4s pushed on hoping to put the game to rest. Some beautiful football down the right hand side from Harry, Tyler, Stevie and myself lead to Magnus getting the chance to make this happen. Turning in a cross from myself to grab his second of the game, whilst in the process showing Trey how it's done. This would put the 4s 3-1 up going into the final ten minutes. With the 4s continuing to play liquid football sonny thought he was about to add a fourth with a lovely shot heading straight towards the top corner. However unfortunately for sonny the 65 year old gk decided to turn into prime Yashin and keep it out. Robbing Sonny of a rare goal in the process. Overall a very good performance from the team saw the 4s take a comfortable 3-1 win. Helping us put another big 3 points on the table towards a potential late promotion push. Up the 4s.

OWFC 7s v Old Wokingians.

Another perfectly constructed murk and drizzle greeted the Old Wilsonians 7th XI as they battled their way around the M25 to Old Wokingians for our Quarter Final AFA cup game.

With a midweek battle to try and field a team let alone one with subs, it was nice to arrive on Saturday with both and congrats to the usual suspects for all the effort in the build up!

We did our usual slow start, despite having the best of the play to be honest, and found ourselves going in at half time 2-0 down but far from being out of it as our opposition knew.

The 2nd half was ours and we came level at 2-2 with still some time on the clock and despite some good chances, just failed to find the winner and extra time was brought forward.

A very harsh penalty decision went against us in the first part of extra time and with the referees best effort and our own missed chances, we failed to get the deserved equaliser and it was our opposition who scored again at the death as we pressed hard.

Another good battling performance but no reward and back to the league again next week for a long overdue home game for the 7th XI to try again.

AND THE CROWD ROARED US INTO THE FINAL Glyn Old Boys 1 6th XI 1 (Won 3-2 on pens)

Semi-final day offered us blustery weather and fairly heavy pitch conditions, but a full team – in fact a squad no less (two substitutes) and a small entourage of support – seemed a good start against a fired up young Glyn with impressively low IQs!

Our initial display of energy and drive paid off when Pat du Casse was brought down in the box and **SIMON WILSON** converted from the spot with precise accuracy to give us the lead. The passionate and, at times, ragged football that followed, peppered with increasingly audible psychological battles, merely undermined the determination of both sides to reach the final, and some committed performances from Joe Garvel and Jamie Parkinson at the back enabled us to maintain our lead at half-time.

The second half continued in the same high spirited and eclectic fashion, but Glyn's persistence eventually paid off, with an off-side "equaliser" ten minutes from time.

Extra time came and went with no further goals added, leaving us with the iniquitous penalty finale. ***Simon Wilson*** – proving his technique consistent – along with ***Simon Elliott and Jamie Parkinson,*** converted well and Andy Parkinson made some tremendous saves to secure a place in the final.

Congratulations to the team for a genuinely gutsy performance which, if repeated, together with some more well received support, will hopefully win us some silverware. Simon Elliott

The 7th XI also had a Cup semi-final on this day - in the Old Boys Cup – but encountered Brazilian flare and a water-logged pitch. Brief extracts from their reports reads as follows:

Greeted with a water-logged pitch the 7th XI found themselves 3-0 down at half-time having conceded a hat-trick from a player who seemed to be "straight out of the top Brazilian league, or more likely one of the higher Finchleian sides!"

At half-time we picked up our heads and battled on, despite playing up the hill, with a battling performance, producing challenge after challenge but failed to break through.

John Stewart and Nick Bier worked exceptionally hard and were both unlucky with some well made goalmouth chances. We ran our socks off but were left without that elusive goal to gift us the lift we needed. Another solid team performance, with enthusiastic efforts from super subs Micky Hughes and John Quinton. THE MODERN GAME EXPLAINED 2nd XI (0) 2 Old Grammarians (1) 2

I felt that perhaps writing this report the following morning may have given me some extra time to decide why a side that creates half a dozen chances take three out of four points from a side (ourselves) that has created numerous chances, but I keep ending up with the same answer; players are not coming into the penalty area at the right time and, on the few occasions when they do, it is in the wrong place!

When playing in a system that is modernly known as 4-3-3, there is ample scope for the midfield and full-backs to come forward but, in doing so, it is essential that others are willing and able to cover. It is also important that all three midfield men do not go forward together, for one of them must always be patrolling the centre circle area. In these two games there were numerous occasions when, following the breakdown of one of our attacks, the ball was cleared by an opponent to an area ten to fifteen yards inside their own half where, because they had players where we did not, they were able to set up attacks which should have been prevented.

Players must also learn how important it is that, when crosses come from either wing, somebody is deep at the far post and ***not*** inside it. There were four occasions when much good work by Chris Cowell was wasted because we had no-one deep on the post and the ball ended up going out of play on the far side. Had somebody been there, I believe it would have been the simplest of tasks to tap the ball home. Two other observations that I would make are, firstly the marking must be tightened up and, please, make it ***goal-side.*** Secondly**,** much more use should be made of the man never marked from a throw-in – i.e the thrower; push the ball back to him. Why players in our various sides go through a season trying to see who can throw the ball the furthest leaves me speechless!

The first game in this double-header with Grammarians was fairly evenly matched, with our visitors getting much the better of the early exchanges but with ourselves coming more into it in the second half. Play was generally scrappy, with neither side managing to string more than two or three passes together at any one time.

The only goal came in the first half and was a complete fluke. From 20 or 25 yards out, and on the left touch-line, an Old Grammarian decided he would try a 'Garry Owen.' Most of us, and that included Bob Harper in goal – sorry Bob - thought it would end up in thre next field, but……0-1! As I have already mentioned, the second half belonged to us, but we could not do the most important thing – put the ball in the net, and so we suffered our first league defeat of the season.

We started the second game in much better fashion and should have gone ahead on several occasions. It was not to be, however, and when our marking at the back was found to be wanting, we again found ourselves 1-0 down at half-time, but the second half produced our best football of the afternoon and ii was not long before we drew level.

After good work on our right-hand side **BRIAN PILGRIM** collected the ball in the penalty area and, with a couple of defenders in close attendance, hit a fine rising shot via the 'keeper's out-stretched finger-tips and the inside of the post and into the far corner. And we soon made it 2-1 when, after some good work from Chris Cowell, **MALCOLM TAYLOR** popped up in the six yard box to head home. The win was not to be, however, for with a little over five minutes to go, a through ball found a Grammarian unmarked and he rounded the 'keeper to score.
