OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With a further influx of juniors and schoolboys , plus training and a couple of teams playing through the summer. Our hopes are high. We have 7 teams on Saturday & the Vets on Sundays playing league football . Supervets will continue to play friendlies on Sundays.

We have kept annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees , but no annual subs. Junior members paying annual subs to the junior section & schoolboys pay no annual subs but pay £5 weekly subs. Vets due to the number of games pay annual subs , Supervets pay £50 annual subs & £10 per game match .

Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2025 . We are using Pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by 7.5% this season taking it above £24,000 per annum . The reason is ground maintenance (looking after both hayes & Hawesdown) costs £71,000 per year (up from £60,000 last season due mainly to the extra cost of running Hawesdown), utilities has gone from £21,000 in 2021 to over £54,000 in 2025. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club. Here's to a great season , good luck & enjoy

Match report 17th Jan 2026
Old Wilsonians 2nd Xi 7-0 Economicals

After an underwhelming performance in the cup the previous week, the Old Wilsonians 2nd XI returned to home soil raring to bounce back from their disappointing defeat.

The game started slowly, with the opposition sitting deep and the boys struggling to find the net in the opening 20 minutes, despite creating a couple of chances. After 25 minutes, a few of the lads—clearly still feeling the effects of a few too many mince pies over Christmas—were withdrawn and replaced with some fresh legs, which immediately provided a greater attacking threat.
This change seemed to shift the momentum and bring a new spark to the game. Mazing runs from Catton, combined with excellent defensive work from Clutts, allowed the attacking front three to slice through a weak Economicals side. Exquisite link-up play followed, with Jake netting in the first half and Ryan making an immediate impact grabbing two goals coming off the bench. As the half drew to a close, the boys were pleased with their performance but remained eager to maintain their levels and avoid letting the opposition back into the game.
The second half saw Wilsonians truly assert their dominance as the game opened up. Relentless forward momentum kept Economicals pinned back in their own half, and Jake opened the scoring again with some brilliant attacking flare through the middle. It would be unfair not to mention the outstanding defensive display from the back four, highlighted by some crunching tackles from Fitz that prime Roy Keane would have been proud of.
With the defence standing firm and allowing nothing past them, play progressed up the field, resulting in a moment of magic from Marley Quashie, who produced a wonder strike from 40 yards with his screamer somehow looping over the keeper and slotting into the bottom-right corner. There was a clear swagger about Wilsonians, built on confidence and control, that had yet to emerge so far this season. Another goal soon followed, this time from Jonny, who calmly slotted home to extend the lead to six.
With the game well and truly done and dusted, things began to get a little silly as Centre-back Shelts found himself in unmarked territory deep in the opposition half and, with no passing options (not that he was looking for one), he unleashed an absolute rocket towards goal. All 22 players watched in disbelief as the ball flew goalwards, only to sail over the bar and wedge itself into a nearby tree.

To round off a magnificent victory, Billy was introduced much to the confusion of himself and his teammates at right wing however, he did not disappoint, producing some tricky play down the right wing before delivering a delightful cross that found Marley, who bagged his second goal of the day. This capped off an absolute onslaught, with the match ending Old Wilsonians 7–0 Economicals, earning a fully deserved three points for the league tally.

The boys will now look to build on this performance as they face London Welsh on Saturday.

Ows 3s v Sinjuns

Wagwan generals, welcome back to another match report with Louie. I'm sorry to let you all know in advanced that this will not be as funny or abusive as last seasons as I'm a changed man. The 3s traveled to Wandsworth to play Sinjun Grammarians on a very pristine pitch. The 3s had a very strong lineup with some returns of Josh CP and Alex Duncan however the defence looked a bit shaky with breathward and cum in your mums bum in the back line. The meet time was supposed to be 12pm however once again many people were late including Alex Duncan thinking the game was at home which eventually led him to winning DOTD. We also had some fans with us today which was Tyler's mum and sister who came to watch 11 grown men run around in her kit that she very kindly sponsored.
Before kickoff the ref gave us a Macbeth monologue on life which also followed with him saying abusive language will not be tolerated to him or the players which ruined my afternoon as that is a key part of my game.#ABUSEISTHEWAYFOWARD

With kickoff fast approaching the page seven fella thought it was a good idea to drop a child's arm in the toilet leading to us having to start breathward on the wing. The 3s started fast with good passages of a play and many chances created. The 3s didn't have to wait long until the future page seven fella Dan Wetfanny slotted the ball past the keeper. The pressure continued from the 3s with not long after the one and only scored and it wasn't even a fluke goal. Best goal of the season already in the bag according to you lot. 2-0 to the 3s and everyone thought the game was done until certain people f***ed up yet again with Mr Burns missing another penalty. After that the boys once again lost concentration as per usual leading to the opposition grabbing two quick goals before halftime.
Second half and we had a swap of goalkeeper with sunshine coming out field and Jude law (Toby Shelton) going in goal. Apart from that not much changed besides Skid Max and the page seven fella showing us how they do the human centipede when they are alone together in their one bedroom flat with a single bed with a Batman duvet. The second half started fast with Mr Burns deciding to actually show up scoring two screamers, with the first spinning the centre half and thunderc**ting the ball into the bottom corner and the second lobbing the keeper who was more flashy then Tyla's bedazzled cockring. The game went on with the boys once again thinking the game was in the bag with Tyler saying, "the games in the bag bruv". Shortly after the 3s conceded from some poor defending. Then my sunshine scored the second best goal of the game behind my unbelievable finish. So proud of you my star man.

10 minutes left and the 3s were winning 5-3. The game then turned so scrappy it looked like flies around a piece of shit. Conceding two late goals from some poor defending. Their fifth goal was a slow motion overhead kick from an old EDL member. With Sinjun celebrating their goal some bellend ran up to me and screamed in my face leading to me offering him my fist to his chin causing him to fall to the flaw screaming for his mum. Game finished 5-5 with yet again more points dropped because of stupid mistakes and lack of focus in certain parts of the game.

After a disappointing result the boys retreated back to the changing rooms with breathward having his first shower and we can confirm he is not hung like a donkey. We also saw Skid Max and the page seven fella performing some of their favourite acts (they were also the last two out of the showers). The boys headed upstairs to what looked like a strip club for hotdogs where I showed everyone my party trick of swallowing a hotdog hole which was received very well by the audience.

After that the boys headed to a local pub where Tyler chatted up some 40 year old who's got ten kids with ten deferent men. Of course Luke Curran brought everyone and their mum a drink which was appreciated a bit too much with certain people paying him back in other ways. MOTM was given to Josh CP and DOTD was given to Alex Duncan with the drink off not even close because off Alex Duncan swallowing the beer in one.

I think we can all say that it was a very good away day with a disappointing result but we go again next week and hopefully not draw for the sixth week in a row. I would like to finish this off by saying that I think Sam Bridges is a massive cunt and that he should spend his Saturdays playing for the 3s and not making TikTok's with his so called mates. Up the f***ing 3s

Reigatians 5's v OW 6's - 31.01.26

The 6's travelled to Merstham to face Reigatians for the first time this season. We knew it was going to be a tough game, especially as we were missing our striker, goalkeeper and a key midfielder.
With 1 win in 7 and a gutting 3-0 cup quarter final defeat last week, the 6's came into the match eager to find the form they had at the beginning of the season and get out of the current situation they were in.

We started off the game really well, attacking a lot through our wingers, especially on the right side with Caiden and Henzo. It was a very physical game with lots of challenges flying in from the opposition early on. Barile won a free kick near the left side of the box by nutmegging a defender who had to resort to fouling him to stop him getting past. Vish saw the opportunity to lay it off to Darin on the edge of the box who was completely unmarked. He let off a shot with his left foot that rattled off the crossbar. Unlucky not to be 1-0.

Reigatians got in the game more by utilising their wingers more and playing it behind. A few half chances but all were dealt really well with by Connor who was the stand in goalkeeper for today. However the home team eventually ended up going 1-0 up. Some unnecessary sloppy passing at the back led to a Reigatians player being 1 on 1 with the keeper and calmly slotting it away. The goal basically gifted for the opposition by the 6's...a story of this season.

Before the end of the half we almost equalised. James K had a curling effort from outside the box that looked destined for the top corner but it clipped the outside of the post. Again we were unfortunate not to score. 1-0 down at half time just like last week. Would we capitulate like then or come back? 1 substitution was made with Cody coming on for an injured Caiden.

Reigatians 5's v OW 6's - 31.01.26

The 6's started the second half as in search of an equaliser. It was harder to create chances this half despite us dominating possession. A lot of half chances but nothing concrete. Tempers flared in the second half with a fight nearly starting between our striker and their centre back, as well as a dirty challenge on Barile that was worthy of a yellow card.

At a key moment in the match Reigatians got the ball after a poor touch by Andrew. It was a 2 on 1 situation. Carter came across and the striker squared it to his teammate who had the whole goal to aim at. He took it first time and luckily Connor was in the right place at the right time to save it and keep the 6's in the game. With not long left, Andrew and Joe decided to go for a more attacking formation and we played with 3 at the back. The 6's needed a goal and this seemed like the right choice of tactics. 10 minutes left and Cody had the ball out on the right wing. He whipped in a beautiful cross into the box. James K challenged the keeper in the air. The keeper punched it and it landed to Darin. It bounced and he hit it first time, side-footing it scrappily into the centre of the goal past the hopeless defender on the line. After many attempts, he finally got his goal. 1-1 and deservedly so! Only one chance for either team followed the goal. Some nice work on the left by one of our players saw the ball cut back to Cal who was in a good position just inside the box. He chose to hit it first time and it went over the bar with what could have been the winner. 1-1 at full time and the 6's could count themselves unlucky not to win. However a much better effort and mindset in the second half which we have been missing this season and an encouraging sign we will get the win we deserve soon!

ADVERSITY AGAIN SPURS 6THS TO A POINT Old Suttonians 3 6th Xl 3

The weather finally relented long enough for the 6th Xl to get a game, albeit on a very heavy pitch. With a number of centre-backs playing out of position, it took a while for the team to settle, but once Doug Forbes had found his feet and Graham Nelson a new pair of boots, the team started to play some good football, creating chances for Stuart Shelley and Dave Warboys.

Unfortunately for all of the defenders on the pitch, a misunderstanding in the middle of the park led to Suttonians' first goal, swiftly followed by a second as we allowed their right-winger time on the ball to turn and run at us and set up their forward, whose finish gave Kelvin Wing no chance, but the 6th Xl continued to show determination and, as they have shown against a number of teams this season, used the adversity to spur them on, and it was no surprise when **DAVE WARBOYS** produced a delicate lob which left the goal-keeper floundering and then knocked the ball into an empty net; Dave does not like to make things easy for himself!

The second half started in much the same way the first had finished, with both sides playing some good football but both failing to create any clear-cut chances for themselves, but a good move down the right ended with **DAVE WARBOYS** hitting a solid shot to beat the Suttonian 'keeper.

Both sides searched for the winner and Sutts thought they had it when a fine run and shot gave them back the lead but, and again, the 6th's heads did not go down and **STUART SHELLEY** capped a strong performamce in the centre of midfield with a run and finish from the half-way line as the Suittonian defence parted in front of him. Fifteen seconds later the referee blew for full time and both teams retired to the Bar to review a match that epitomised all that is good about Old Boys football.

Finally a quick mention for Kit Hollis, who fractured his skull playing for us a couple of weeks ago and is now out for the rest of the season. We wish him well and look forward to seeing him back next season, assuming, that is, that this one finishes before September!

BEALONIANS HAVE NO ANSWER TO BROTHERS -IN-LAW 2nd XI 5 Old Bealonians 4

The 2nd XI are riding their luck at the moment, with some very inconsistent performances in recent weeks. The defence was as poor this week as it had been superb last week against Mill Hill and it was only thanks to some great goals from our forward line that we overcame a hard fighting Bealonian side.

The game got off to a whirlwind start in sub zero temperatures on a rock- hard pitch and, within a few minutes, we were a goal up. Brian Wells drop kicked well into the Bealonian half and Malcolm Taylor and Tony Maunder knocked the ball on for **JIM MATTHEWS** to take the sort of chance he snaps up but, within a minute, Bealonians were level as the consequence of a very square defence getting mixed up and one of their forwards scored a well-taken goal.

A corner forced on the left brought us a superb second goal, as John Lambourne's kick was perfectly flighted for **JIM MATTHEWS** to score with an unstoppable header. But, once again, we allowed Bealonians to score almost immediately when Brian Wells failed to punch clear and, despite Alan Carpenter's attempt to handle the ball off the line, Bealonians forced the ball home.

JIM MATTHEWS completed his hat-trick after about 25 minutes with a brilliantly constructed move by Tony Maunder, which left 'James' with only the 'keeper to beat. Sheer determination held Bealonians off for the rest of the half, and perhaps the unluckiest effort came from John Lambourne, who caught a shot on the run perfectly, only for the ball to smash against the crossbar!

The second half was much tighter for almost 30 minutes, with no additions to the score-line before another John Lambourne corner on the right found **MALCOLM TAYLOR,** almost on the goal-line, to touch the ball over, despite Bealonian protests that the ball had been cleared. This goal should have seen us home and dry, but a very indecisive defence let Beals back into the game with two goals to level the score at 4-4.

With five minutes left, the Reserves won a free kick near the half-way line and Pat Johnson dropped the ball a little short of the Bealonian line of defenders for Malcolm Taylor to flick on with his head and **JOHN LAMBOURNE,** who must have run a full 20 yards, beat the 'keeper with a great diving header.

This was not championship form from the 2nds, and they know it, but, thankfully, we have a very good forward line, able to grab goals at vital moments. But can they keep it up over the next seven league games?

THE 5THS ALSO WIN THE NUMBERS GAME 5th XI 5 Old Owens 2

After sorting out team and venue problems, the game started half an hour late! We began with a few initial attacks and then **PAUL JOHNSON** slotted home a Keith Miles cross. Almost immediately Owens drew level, pushing the ball past Bob "I'm going to keep a clean sheet today" Bevan. Midway through the first half **BRYAN WATTS** headed home a John Stopes free-kick after Paul Johnson had been brought down and, just before half-time, a series of short passes left **DAVE STEWART** to chip the ball over their goal-keeper's head, leaving the half-time score 3-1.

The second half went much the same way as the first, with the defence giving a good account of themselves, especially Pete Portman, who never gave their dangerous centre-forward an inch. The 5ths then went on to score two goals in quick succession, both from **PAUL JOHNSON,** the first being placed out of the goal-keeper's reach after a superb ball from John Brittain, whilst the second was a penalty after the scorer had been brought down. Owens then replied with the best goal of the game, but it was too late to do any damage.

This was a good all-round performance, spurred on by Ray Howell's non-stop running and encouragement, but it must be said that Owens only had ten men and sometimes the 5th XI's finishing left a lot to be desired.
