OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With the influx of juniors and schoolboys , plus training and most team playing through the summer. Our hopes are high. We have expanded to 7 teams on Saturday & the Vets have joined the vets league on Sundays . Supervets will continue to play friendlies on Sundays.

We have raised annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees . junior members paying annual subs to the junior section. & schoolboys pay no annual subs but £5 weekly subs. Vets due to the number of games pay annual subs , Supervets £20 per game . Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2024 . We are using pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by £3,500 to £22,500 per annum . The reason is ground maintenance (looking after both hayes & hawesdown) costs £60,000 per year , utilities has gone from £21,000 in 2021 to over £50,000 in 2024. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible

Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club.

Heres to a great season , good luck & enjoy

Alex Forbes

OWFC 1s match report from Saturday 18th January 2025:

"The mighty 1s returned from an eight-week hiatus to face top of the league South Bank. Question as always was "stud or mould?"... one of life's eternal mysteries.

The 1s were eager to pick up where they left off in 2024. OWs took control of the game immediately, getting the ball down and stringing together fluid pieces of play with RIMAN causing the opposition RB all sorts of problems. The 1s dominance was soon rewarded as a JEEVEN freekick was spilled to SITCH who unselfishly teed up RIMAN from 6 yards out. 1-0.

Half hour gone and there was only 1 team in the game, with RIMAN striking the post and a dubious disallowed JEEVEN goal. South Bank struggling to make any inroads into the OWs half. The good work was rewarded as JAMES leaped like a salmon to make it 2-0 with a bullet header from a JEEVEN freekick. One set piece goal to another. Straight from the drawing board, an in swinging JEEVEN header was expertly met my SITCH at the near post to put the 1s 3 up at HT. Seems like you can score corners without a prolonged huddle and a set piece coach barking out instructions after all...

An excellent first 45mins was followed by a half of substance over style with both teams committed to the tackle but lacking some control in the game. Honourable mention to BEATSON who dominated the midfield, winning numerous tackles and getting the 1s on the ball. In all honesty, the second half was one of little highlights, time to fast forward if you're watching on Match of The Day. After a few bumps and bruises, a resilient and dogged 1s 2nd half drew to a close with another clean sheet maintaining their exemplary defensive record in the league.

Job well done, the title charge continues. Roll on archnemesis West Wickham in the cup. Get your tickets before they sell out. Up the 1s."

Match report - 18/01/2025

OWFC 2nd XI 4-1 Merton

OWs wanted to continue their winning ways this year with the help of Lewis and Ryan who have comeback from injury. From the whistle ows looked up for the game when a loose ball on the edge of the box by Merton was intercepted by George and he slotted it past the keeper to make it 1-0. Then soon after a tackle in the midfield followed by a weighted ball through to Josh and a great finish made it 2-0. Near the end of the first half great vision and an even better ball from Fitzy sent Josh through for another opportunity where he got his second goal of the game.

old wils started the second half with the same dominant play and all the possession until a scrappy goal by merton came after failed attempts of clearing the ball. Old wils looked dangerous attacking with Marley hitting the crossbar and lots of chances. But it was at the end of the game when billy Mansfield would break through the Merton defence and have a composed finish to make it 4-1 and seal the deal.

Old Wilsonians 5s 7 v 1 Bank of England
SAL CUP QUARTER FINAL

A very grey and cold return for boys in gold and black, seeing Old Wilsonians 5s, first game back after a well enjoyed Christmas and new year break against the unknown commodity of Bank of England

A relaxed atmosphere thrown into chaos as our goalkeeper, SAGGAR, no where to be seen with 10 minutes to kick off, resulting in some panic. The excuse, firstly the doctors appointment, then heard later he was in local cafe with his entourage waiting for a fry up. Dick of the Day secured!

The return of hero NICHOLAS proving his worth again, as an auxiliary ball playing goal keeper looking particularly fetching in the Stellar Scholars pink GK top.
The game started with a high press from Bank of England, only to be fooled time and time again by the relaxed defence and expert control from KELLY and COUGHLAN, opposition clueless to stop it.

The terrorising attack of FAIRHURST, DOYLE, GILBERT and WRIGHT causing all sorts of problems, causing a number of errors and corners won.
A great front post ball at a attacking corner from DYKI to COUGHLAN, who was unluckily kept out, for the ball to fall to WRIGHT, who's header down and prod home, took a well deserved 1-0 lead.

Not too long later, a great long ball through from LEON to WRIGHT, who somehow delightfully dinked over the keeper from about 30 yards out and nestled in the net, putting the Os further ahead, 2-0.

A pass into WRIGHT, playing a reverse left footed ball through to a running through DOYLE, who's smart tucked finish took us 3-0 to the good.
An introduction of HOLMES (no goals or assists) really shaking up the game, pressing hard with some crunches tackles, leaving the pitch at half time with blood all over his hand.

Oh and it didn't stop there, a beautiful lofted through ball from BENSON to sub KENNEDY, a further delightful finish left the Bank of England scratching their heads to the clinic being held at Fortress, 4-0.

A glowing report at half time from the boys and asking for a professional performance second half, as the tackles from a Bank of England side, that were getting naughtier by the minute

A slightly slower start to the second half, but still equally as threatening on the counter, the Os grew into the half.
A great run through by WRIGHT, found by a sumptuous dinked through ball by KENNEDY, as another well judged lob by WRIGHT over the keeper putting us further ahead, 5-0

Old Wilsonians 5s 7 v 1 Bank of England continued
SAL CUP QUARTER FINAL

Throughout the second half, the dangerous attack of KENNEDY, HOLMES, DYKI and WRIGHT causing all sorts of problems with defence splitting balls and selfless runs to rip apart the BOE defence.

KENNEDY wrapping a delightful sweeping finish to make it 6-0, from a delightful left footed pass from DYKI, before a sloppy conceding goal to BOE, leaving us at 6-1.
Final kick of the game, after a dubious free kick given for a "potential" hand ball from the Bank of England GK and melee afterwards, their GK was sent off, after abuse thrown towards the ref.
BENSON out of nowhere, sprinting with high knees from 50 yards to take the free kick, only to be ushered away to his disgust.

Stepping up on his hat trick, a well placed wrapped KENNEDY free kick into the top corner to leave us at 7-1, both KENNEDY and WRIGHT with match balls 🎩

A brilliant performance from an in form 5s team, now into a cup semi final where they will host Old Wimbledians. Pressing hard, never backing down and clinical finishing, with more goals potentially left on the board.

Huge shoutout to the whole team, especially the back 4, who kept their concentration through an open end to end second half especially - SAGGAR, MERV, BILLING, BENSON, LEON

MOTM to WRIGHT, on a sparkling goal scoring run and DOTD to SAGGAR for his late time keeping and miserable excuse

Match Report - Kieran Wright

Starting 11: Nicholas (GK), Dyki, Billing, Benson, Leon, Kelly, Coughlan, Fairhurst, Gilbert, Doyle, Wright

Subs: Saggar (GK), Kennedy, Holmes

Last weekend saw the OWFC 7th XI make their collective way to Dulwich Sports ground for our league game against Southbank.

Pitch I have to say was not great and quite poor in places, which was not helped by the drainage issues and it was never going to make it easy for our quick flowing passing game.

Late arrivals made our start some what on the cold side and unfortunately the goals flowed in the wrong direction as we found ourselves 5-0 by half time.

Despite a spirited fightback, we ended the game at 7-4 which was very entertaining for the onlooking crowds on the touchline.

Certainly on reflection, we need to make sure we arrive on time where possible and to have a good warm up and make good use of the time together before the start, hopefully something we can improve on by next week.

THREE GOAL TRIUMPH – DESPITE THE QUIETNESS Old Josephians 0 6th XI 3

Only one change from last week, with Malcolm Boxall coming in for Joe Gartell, having to study this week! We played some good football at times but were a bit lax at coming back for those four yard runs, enabling us to claim possession of the ball rather than the opposition.

SIMON WILSON opened the scoring after good work by Malcolm Boxall and John Ward. Like last week we had some excellent chances, which we just failed to convert – some day some of our opponents are going to be beaten by a rugby score.

We turned round 1-0 ahead at half-time and emphasised commitment and the need to spread the ball to the wings and to have plenty of chat – we are a quiet side!

For the first 20 minutes of the second half Josephians put us under a lot of pressure but only created one clear chance, which Andy Parkinson dealt with superbly, but we did not panic under pressure and the players have to realise they have more time on their hands. Once we overcome the jitters we should play some good football.

Our second goal came from a cleared corner, which Malcolm Boxall lashed at goal. **SIMON WILSON** squatted like a sumo to get a minimal touch on the ball which then looped in front of the 'keeper, who bounced up and down three times before the ball went under him.

We then had a purple patch, with Simon Elliott hitting the bar from 50 yards after seeing the 'keeper off his line. Josephians made two clearances off the line, including saving a superb 35 yard lob from John Ward. Simon Wilson then played ping pong with their 'keeper and defender from three yards out but failed to score.

SIMON WILSON completed his hat-trick from the penalty spot after Lou Barry was pushed in the back. Good games from the four schoolboys, especially Pat du Casse, who was unlucky not to score, Simon Wilson, for his hat-trick, and our new sweeper, Nick Tarn. Malcolm Boxall played better as the game progressed and thanks to Andy Smith for turning out as an (unused) substitute. NB: The 8h XI's report was written by Pete Davis, which is ***not*** the reason I am not reprinting it! But I will reprint his PS, namely "I'd like to thank Darren Coomansingh and Dan Harris, who helped get the schoolboys back to Wallington after the game. This apparently trivia task is, of course, crucial.
Update: Dan has now become a football club legend and it would be good to see Darren again

FREEDIE HOAR MEMORIAL CUP SHARED Old Wilsonians Vets 1 Old Bromleians Vets 1

A great game, enjoyed by all who watched and played; exciting, entertaining, hard, sporting and the result was always in doubt. In a game we fully expected to lose heavily, we played very much better than ever before. Such a match makes the 'Veterans Club' worthwhile.

Old Bromleians started well, but Ron Meadows nearly put us one up and only a good save by their goal-keeper stopped him. Then Bromleians hit the bar, with your 'Cat' clutching gratefully at the rebound (Adams failed a fitness test – doesn't he always – before the game) Soon afterwards they nearly scored with a header, but it was saved.

After the interval we came close to scoring several times, although Bromleians still spent most of the game in our half. Then, with 20 minutes left, **JOHN BRITTAIN** scored from the penalty spot and then, how we fought. They had one good shot saved but were mainly restricted to long range efforts by our excellent defence but, five minutes from time, they at last pulled us apart and two unmarked players saw them score from close range.

Without Gerry. Mac (injured) and Bryan Watts (working) we were lucky to have John Houghton at right-back. He played their danger man – five goals in the previous two matches – out of the game and cannot have had many better games when he was in the 1st XI.

Bill Sollis threw himself – sometimes literally – into the game and was out-standing, apart from an attempt to do the tango with the ball after a short goal-kick near the end. Bryn Everness cannot have had many better or harder games, whilst Ian Forbes, at the back, was magnificent against a hard, rough centre-forward; he won everything in the air and most of it on the ground.

Les Wilks ran himself into the ground and only at the end did we realise that he wasn't 19! Mike Kendrick, so obviously our best player at Latymerians, was one of many in this game and he, too, was outstanding. He had our only three worthwhile attempts at goal and was unlucky not to score near the end, then he was back in defence, running in midfield or upsetting Forbes.

Up front Ron Meadpws, Peter Richardson and Frank Philpot ran themselves into the ground and bounced up again, with John Brittain supplying most of the approach work.

And, finally, Ian Forbes is now known as 'Pisa' by Oid Bromleians as they claim "he leans a lot." Sounds reasonable – and understandable!

Flag Posts

In the past it has been necessary to collect flags from the top of posts at the end of games at Hayes. Unfortunately there seems to be a post snatcher on the loose in the area at the moment and someone has walked off with one of ours! Therefore, will all captains see that flags ***AND*** posts are collected at the end of games in the future.
