OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With a further influx of juniors and schoolboys , plus training and a couple of teams playing through the summer. Our hopes are high. We have 7 teams on Saturday & the Vets on Sundays playing league football . Supervets will continue to play friendlies on Sundays.

We have kept annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees , but no annual subs. Junior members paying annual subs to the junior section & schoolboys pay no annual subs but pay £5 weekly subs. Vets due to the number of games pay annual subs , Supervets pay £50 annual subs & £10 per game match .

Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2025 . We are using Pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by 7.5% this season taking it above £24,000 per annum . The reason is ground maintenance (looking after both hayes & Hawesdown) costs £71,000 per year (up from £60,000 last season due mainly to the extra cost of running Hawesdown), utilities has gone from £21,000 in 2021 to over £54,000 in 2025. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club. Here's to a great season , good luck & enjoy

Match report: Old Wilsonians 2s vs London Welsh 3-0

After a convincing 7-0 win against Economicals the previous week, Old Wils looked to continue their promotion push and become the relentless side the gaffer was after.

The game started fairly slowly and scrappily with few chances for either side. We had a few dangerous moments with our wide players getting some joy down the flanks. After some good, patient build up play from Harley and the two centre backs, the ball found its way through to Jonny in the box who was fouled- penalty Old Wils. The boys were confident as Shelts stepped up to the ball and he rifled it into the roof of the net, 1-0. This seemed to wake the boys up a bit as 2 minutes later Kris won the ball on the edge of the box and Josh managed to squeeze the ball past their keeper. Not a lot else happened in the remainder of the first half, some notable challenges from Fitz and Shelts actually left them more hurt than the opposition attack. Harley was showing some solid composure and distribution from the back but we couldn't build on the lead going into half time.

The second half started in similar fashion to the first- slow and a bit scrappy. Bill and Marley were getting lots of space down the right hand side but we were unable to capitalise. Notably Marley ran through with a good chance to put it on a plate for Sam, he instead decided to let off a missile across the face of goal. About 15 minutes into the half, we won a free kick on the edge of the box- both Amrane and Bill were eager to take. A quick game of rock paper scissors led to bill standing over the ball. Clutts will claim he said he knew Bill would go under the wall, which he did very successfully, 3-0. The boys stayed solid at the back, conceding almost no chances. A fair few counter attacks and corners were wasted- most of these failing to make it past the first man. This was much to Cattons delight- and only his as every single attempt flew into the trees behind the goal. Talking of poor shots at goal, Zac also had one towards the end which may genuinely have been the worst effort most of us have ever seen. The game continued in the same fashion with Old Wils dominating the ball but not making too much of it.

Overall, not the best performance but you can't complain about a win and a clean sheet, and we look to build on this again next week.

MATCH REPORT: Wandsworth Borough 4 – Old Wilsonians 7th XI 0

A wet, blustery afternoon just off the A3 set the scene for a challenging away fixture. The squad travelled 14 strong, but heavy traffic meant only nine players were ready for the scheduled 1pm kick-off. After a short 10-minute delay, the match finally got underway.

Despite the disrupted start, Old Wilsonians settled quickly and produced some excellent football in the first half. Twice we struck the crossbar, showing real attacking intent and causing Wandsworth problems. The hosts went into the break 1–0 up, but the match felt evenly balanced.

The second half proved tougher. Playing into the wind made it difficult to get out of our own half, and Wandsworth capitalised with three well-taken goals. Even under pressure, the defence stayed organised and committed, and the team continued trying to play out from the back.

This was a young side, and they handled the conditions and setbacks with real maturity. Heads never dropped, the work rate stayed high, and the attitude throughout was spot-on. Chances were harder to come by after the restart, but the effort never faded.

Man of the Match: Saj Phakey — a standout performance on a difficult day.

Match Report: Vets 0–2 Parklife

Parklife, last season's champions, came away with all three points, but the scoreline tells only part of the story. Despite a difficult week trying to assemble a squad, the Vets battled hard and, thanks to the support of the supervets, a few mates, and debutant Sam Wilson, they lined up with an impressive 15-man squad by kick-off.

The opening stages belonged to Parklife, who looked sharp and confident in possession. Their early pressure paid off when the Vets failed to defend their own box decisively, gifting Parklife a penalty that was calmly dispatched for 0–1.

To their credit, the Vets settled after the setback. The shape improved, the passing became more assured, and although clear chances were scarce, they grew into the contest and stayed well in touch heading into the break.

The second half saw the Vets pose a much greater threat going forward, driven largely by the relentless energy of Chris Kennedy. Kennedy caused havoc across the Parklife back line, repeatedly carving out chances for himself through sheer determination. Unfortunately, the finishing touch just wouldn't arrive on a day when his performance deserved more.

As the Vets pushed for an equaliser, the game opened up. In the final minutes, disaster struck: a moment of misfortune saw keeper Chesney Jennings tackled in his box as the team tried to play their way out from the back. Parklife pounced on the loose ball to slot home their second and seal the victory. There was still time for James Paton to pull his hamstring again.

Despite the result, there were plenty of positives. Debutant **Sam Wilson** delivered a superb performance full of composure and work rate, earning him a well-deserved **Man of the Match** award. Special credit also goes to Chris Kennedy, whose drive and threat kept Parklife guessing throughout.

A tough defeat, shaped by two costly errors — but a spirited showing and a platform to build on in the weeks ahead.

Chesney Jennings, Amit Jethwa, Sam Wilson, James Paton, Ruben Pillai, Jamie Parkinson, Andy Free, Nick Serff, Gary Bonsels, Chris Kennedy, Rowlando Morgan, Ian Holloway, Mal Smart, Simon Kershaw, Dan Harris

100% RECORD SHATTERED Old Meadonians 2 1st XI 4

After our recent supine pergormances against Aloysians, we knew that a win against unbeaten Meadonians would require a considerable improvement. Changes had been made, with Nick Billing replaced by Neil Kendrick and Dave Pope returning from injury.

Playing into the wind, with the sun in our eyes and on a mammoth pitch, we initially struggled to get out of our own half although we battled hard to prevent them from creating any clear-cut chances. 'Donners' made one excellent save from a free-kick that bounced just in front of him but, otherwise, we tried to get men behind the ball and then break quickly and hang on until we could make use of the conditions.

After half-time we found it easier to get behind their ponderous defence and threaten their undersized 'keeper. Eventually a cross from Ian Murray was controlled by **RICHARD SMART,** who turned and scored. We then had 15 minutes of complete control and, after Malcolm Boxall 'stole' the ball, **RICHARD SMART** was again fed by Ian Murray to score our second. The game now got scrappy, with Malcolm Boxall earning a booking from the over excitable referee for a late challenge.

DAN HARRIS capped an excellent display with our third goal, much to the despair of their 'keeper who, soon after, threw punch after punch at Malcolm Smart, all of which missed, so the referee decided that his actions did not warrant any punishment.

At 3-0 we switched off slightly, allowing them to score, so fresh legs were introduced. This had an immediate effect and **RICHARD SMART** clinched his hat-trick. We started to over elaborate after this and gave the ball away too easily, which allowed them to score a second at the death. Hopefully we can move on and make winning a habit again.

Support Mike Harris at the 97th Annual Dinner of the OWA

As this is the Football Club's newsletter it means you are almost certainly a current or past player of the OWFC and will know the enormous amount of work Mike Harris has done over many years to make our Club one of the most respected in the Old Boys League, but Mike is not just a servant of the Football Club and has also represented the OWs on the cricket field and been a member of the OWA Council for a number of years.

At the Association's AGM in December, Mike was elected President of the OWA and now is your chance to say 'Thank you' to Mike at the 97th Annual Dinner of the OWA on ***Friday February 16th.***

Get well soon Geoff: Geoff Robinson, a man who has seen and done it all, injured his knee last week but shrugged it off as part and parcel of the game. However, it later transpired that the knee had been fractured and he has had to spend some tme in hospital. Get well soon Geoff; all our best wishes go to you

AN IMPROVED DISPLAY BUT ANOTHER CUP EXIT 7th XI 1 Old Aloysians 2

Old Aloysians, our opponents in the AFA Cup last week, were again our opposition, but this time in the London Old Boys Cup. The first half was fairly even, with Aloysians just shading it thanks to their lively forwards and took the lead when a well-hit shot rebounded from a post onto one of their player, with the ball creeping over the line.

The second half was a repeat of the first, and our fate was sealed in the space of a minute. We won a corner and Doug Forbes had his clever header cleared off the line and, within a minute, they made it 2-0, but we did not give up and scored a consolation goal through **STUART GOSLING** three minutes from the end.

THE TRIALS AND TRIBULATIONS OF VETS FOOTBALL OW Vets 2 Old Bromleians 5

At 10-00 a.m. on Sunday last a worried Gerry Adams called at my country home. (If you kept goal like he does, you would look worried.)

"Not only is my shepherds pie rather burnt," he said, "But I don't think we're too strong today."

"You are right." I admitted, "At the moment say 'good morning' to your left-winger"

The sight of an old goal-keeper in tears is not pretty. At this point he offered me his place if I got someone else to play. He was referring to the fact that not only were 'Mac' and Meadows unavailable, but that Forbes and Everness had been injured the night before; if Bryn drank less, he wouldn't keep falling down the steps!

At 11-00 a.m. I had wrecked the marriages of both John Houghton and Bryan Watts after being unable to contact Dave Wellman, Doug Clasper and goodness knows who else. By the way, both Bryan and John send their best wishes, and they say they quite like living here; my cooking is better and there's no noise from the kids. They don't like kissing me goodnight too much, but it's cheaper than paying rent.

At 2-30 p.m Adams and I had gone through our usual routine, but he still played! O'Connor (Old Bromleians) was sitting smiling beneath the peg we had shifted and screwed half-way down the wall and marked with his name and was contemplating his Cliff Bastin hairstyle.(Please note he was still ***beneath*** the peg.)

At half-time I was contemplating writing a glowing report. We had been marginally the better side and although ***Dennis Ward*** had given Bromleians an early lead, as we characteristically took too long to settle down, **RON ASHDOWN** worried Fred Nixon into an uncharacteristic mistake and sped through for a fine goal. Tommy Austin hit a post, and Mike Kendrick says he should have had a penalty. Fred Nixon agreed with Mike; he said it was easier!

In the second half we tired, passed badly, lost heart when the ball started to run Bromleians' way and, most of all, wilted against a side who played well. ***Dennis Ward*** scored with a diving header that would have brought the house down at Old Trafford, ***O'Connor*** wriggled free to score and then – and this was the killer – hit a soft shot which struck a defender and went into the opposite corner.

After this we failed to capitalise on good corners from Ron Ashdown, but scored a fortunate goal ourselves when **JOHN BRITTAIN'S** shot-come-cross was deflected upwards into an arc and Bryan Watts's attention on the 'keeper caused confusion and the ball ended up in the net. After this a long, high shot went in via Gerry Adams and the bar – his only mistake and this following an injury after a brave save – and thus we trooped off sad but having had an enjoyable game.

Bryan Watts said he was going home to see if his wife wanted a cup of tea, Bill Sollis asked "Exactly what do I have to do on the bar?" and, after a good evening, I went home stone-cold sober.

"Ollie" – now known better as Bob 'The Cat' Bevan

THE 5THS ALSO WIN THE NUMBERS GAME 5th XI 5 Old Owens 2

After sorting out team and venue problems, the game started half an hour late! We began with a few initial attacks and then **PAUL JOHNSON** slotted home a Keith Miles cross. Almost immediately Owens drew level, pushing the ball past Bob "I'm going to keep a clean sheet today" Bevan. Midway through the first half **BRYAN WATTS** headed home a John Stopes free-kick after Paul Johnson had been brought down and, just before half-time, a series of short passes left **DAVE STEWART** to chip the ball over their goal-keeper's head, leaving the half-time score 3-1.

The second half went much the same way as the first, with the defence giving a good account of themselves, especially Pete Portman, who never gave their dangerous centre-forward an inch. The 5ths then went on to score two goals in quick succession, both from **PAUL JOHNSON,** the first being placed out of the goal-keeper's reach after a superb ball from John Brittain, whilst the second was a penalty after the scorer had been brought down. Owens then replied with the best goal of the game, but it was too late to do any damage.

This was a good all-round performance, spurred on by Ray Howell's non-stop running and encouragement, but it must be said that Owens only had ten men and sometimes the 5th XI's finishing left a lot to be desired.
