Aubrey, from the OWFC 6th XI, is shaving all his hair off to donate to girls with cancer. It's really nice hair as well. (See photo) In 24 hours he has raised £400 all ready. Would be great if we could share this with the all the clubs chats. Such a fantastic cause. Any donations will help.

The Annual Alf Parish Memorial darts match will take place on:

Friday March 21st at Selhurst Park

As well as being an opportunity to remember Alf, this is a fun evening and is a great fund-raiser for Old Wilsonians

Both the Football and Cricket Clubs enter teams, both have been former winners, and both regard it as part of their fund-raising activities
Men of the Hill are also entering a team and we expect up to a dozen sides to be participating

Crystal Palace pay for everything – including a free buffet and some excellent raffle prices – whilst ***Steve Parish,*** son of Alf, hopes to be there, and ***Mark Bright,*** the former Palace striker who used to frighten opposing defences with his partner in crime, Ian Wright, has already confirmed his attendance

If you want to play for one of the OW teams please contact:

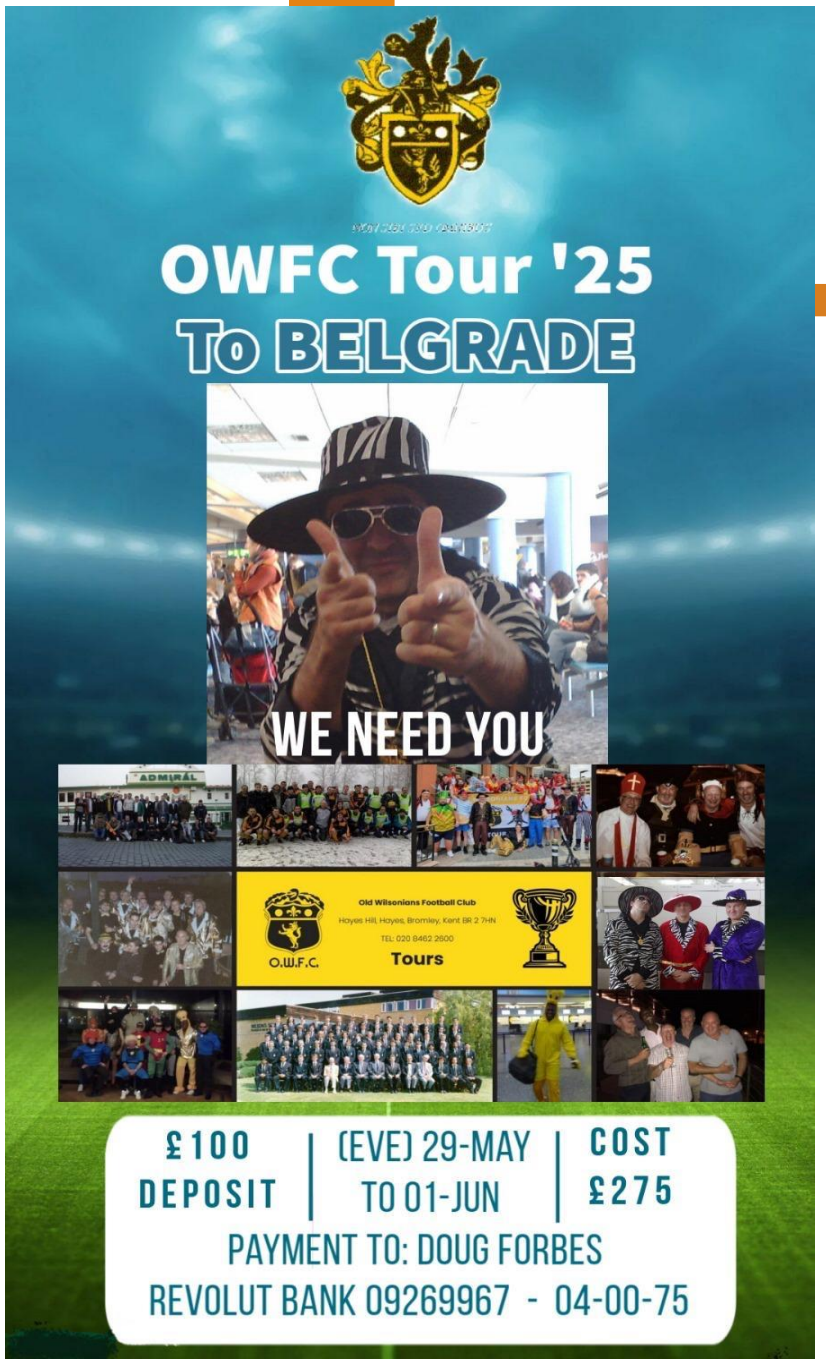

Cricket:	**Syd Sherlock**
Football:	**Dan Harris**
Men of the Hill:	**Doug Forbes**

Admission is £10 for players and £5 for those who wish to support the evening.
A Trade Union Branch has donated £300 towards the evening and, remember, ***every penny raised will be spilt evenly between every participating team***

I know that there are many Palace supporters within the OWs, so this is a chance for you to see the Club from the inside as well as knowing that one of the main beneficiaries will be the Old Wilsonians

OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With the influx of juniors and schoolboys , plus training and most team playing through the summer. Our hopes are high. We have expanded to 7 teams on Saturday & the Vets have joined the vets league on Sundays . Supervets will continue to play friendlies on Sundays.

We have raised annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees . junior members paying annual subs to the junior section. & schoolboys pay no annual subs but £5 weekly subs. Vets due to the number of games pay annual subs , Supervets £20 per game . Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2024 . We are using pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by £3,500 to £22,500 per annum . The reason is ground maintenance (looking after both hayes & hawesdown) costs £60,000 per year , utilities has gone from £21,000 in 2021 to over £50,000 in 2024. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible

Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club.

Heres to a great season , good luck & enjoy

Alex Forbes

Saturday 1st March
OW 1 v Norsemen

The 1s were greeted by a picturesque looking Hayes Hill. The morning fog had lifted, the sun was out, the birds were chirping and the pitches were doing a fine Wembley impression. The boys arrived welcoming back both skipper and vice from extra curricular activities and of course LEOOO!

The opening 20minutes of the match were dictated by Old Wilsonians possession, almost forced upon them by Norsemen's lack of wanting it for themselves and their set up of a (sort of) low block. The deadlock finally being broken by OW's after centre back JAMES found himself on the edge of the box and turned into Jeremy Doku, leaving the Norsemen full back on the deck before doing his trademark outside of the boot cross to find WRIGHT who simply couldn't miss. 1-0. The half continued in the same vein and the lead was doubled after LEO tricked his way to the edge of the box before being brought down leaving JEEVEN standing over the free kick. A delightful effort into the top corner, in off the bar leaving the keeper flapping.

Half time came around and while the team talk was missing our centre back turned winger JAMES due to some caffeine related incidents he'd put himself through earlier that morning, the boys rallied again to put this game to bed in the second half.

The pointing out of RIMAN's hard work for the team by Rich Smart was clearly listened to by the lads at half time as he found himself with 2 in quick succession mid way through the second half. The first came after a loose ball in the box was met with a clean left foot finish on the swivel to the far post. And the second not long after was the masterful work of PLAYFOOT down the right wing who found the perfect cross to beat both defender and keeper and find its way on to the head of RIMAN who squatted his way to scoring in the empty net. Strong periods of possession in the second half had killed the game off and Norsemen never looked like breaking a strong OW's defence. A mention to INGAMELLS in net who wished he'd brought his coronation chicken baguette out early to scran on in between yawns. The game was fully put to bed by a great team move. Starting with COOPER winning a header from left back and playing it cooly into STEADFORD who then found EVES out wide who then found KENDRICK making a run from deep with a square pass inside and KENDO JR's first touch setting him free and alone into the box and poking it past the keeper inside the far post. 5-0 to the OW's and a well deserved result cementing themselves top of the table.

A delighted JAMES lead a cool down who simply couldn't believe everyone else on the team wasn't as overjoyed as him after pumping 5 past Norsemen but I still think his excitement was caffeine induced and he later calmed down although his belly not until much later that night. News on the veranda broke of results elsewhere but focus was on the games ahead with the 1s showing no sign of slowing down. UpThe1s!

Old Wilsonians 2s 2-2 Polytechnic 4s

Quickly approaching the back end of the season, Old Wils faced a strong Polytechnic side who sat at the top of the league, still with games in hand over other teams. A result here would put Old Wils into a great position to finish in the promotion places. An even first half with chances for both sides ended with Poly managing to create a 1 on 1 chance which was slotted in just a few minutes before the half time whistle. As already demonstrated during the previous two games against them this season, it was clear Poly would come out in the second half seeking to sit back and secure their clean sheet. However, Old Wils carried on knocking on the door, creating numerous chances which were cleared off the line by their centre back. With just 15 minutes to go the 2s earnt themselves an indirect freekick just inside the box, which was cleverly played back to Marley who found the bottom corner and provided them the belief that they could go on and win the game. With minutes to go and Old Wils tiredlessly pushing as a team to find a winner, George found the ball on the edge of the box and directed it straight towards the bottom right corner. 2-1 Old Wils. Looking to see the game out, the 2s had to defend many late chances from Poly, with Kaya pulling off a great save from a shot from just outside the box. However their defensive attempts would prove to not be quite enough, as a last cross 7 minutes into added time found the Poly striker who directed it into the corner. 2-2. Although the win had slipped away from them, Old Wils can be proud of their efforts, still managing to create chances right until the final whistle. The draw still puts them in a great position to find a promotion spot at the end of the season, and continues an unbeaten run since the end of November.

Goal scorers: Matt McDowell, Ed Hadaway

Match report 1/3/25 Old wilsonians 4s vs Actonians 6s On a very sunny march day, old wilsonians 4's took on actonians 6's a must win game to keep old wilsonians promotion chances alive. Old wilsonians got off to a fast start with quick passing moves from our forwards and midfielders leading to us get a throw-in in a dangerous position. This is where our secret weapon Sonny Rowe (who assured us he's told people he can throw it that far) launches an absolute rocket into the box for Matt McDowell to tap home for the first goal.1-0 old wilsonians. We continued our relentless attack getting the ball down both wings and creating a few chances. Until Ed Hardaway beat the left back and slotted the ball past the keeper to put us 2-0 up. Just before half time, a mix up at the back led to the Acton striker through on goal who slotted it past our goalkeeper to pull a goal back. The second half started slow neither side having many chances until a ball out through to the 4's Peter crouch ,Cejay, put him through on goal 1 on 1 with the keeper which he unfortunately hit straight at the keeper which was then rebounded to Ed who took a first time shot which was impressively saved again by the Acton keeper. Tempers flared in the second half as Tyler 'chavvy' Byrne kept having verbals with the Acton no.7 team every time they went into a challenge. Then a brilliant bit of play by Matt led to their defender being sent to the shops and putting him one on one with the keeper. He took a shot with his left foot which somehow trickled past the post. But the real miss of the day was Aaron Clarke who was through on goal. He had two options to the right of him and as he got closer to the goal he crossed it straight to the keeper injuring himself in the process. It was easier to score than miss and denied us much needed goal difference in the hunt for promotion.Shortly after, the game ended and old wilsonians will gladly take the 3 points. A big thank you to Liam Charlesworth, Harry bull, Trey nunoo and Goran Kuric for helping out the 7s this week we really appreciate your club mentality. CUP FINAL WARM-UP GOES TO PLAN Clapham Old Xvarians 1 6th XI 4

Not much appeal about this one. A windswept Croydon airport and a lengthy search for both the opposition and the correct car park were our first tasks to overcome. However, we started well, roused by the threat we were all playing for our Cup Final places – apparently our captain does not subscribe to any form of Cup Final place sentiment!

A number of attacks and a couple of shots on target were in evidence before Clapham started to get their collective feet on the ball. They then started to play a bit and their key man in the midfield moved the ball around well, and it was he who opened the scoring with a long range effort which resulted in Andy Parkinson's worst piece of handling this year.

The rest of the half was played out scrappily but, from a corner with a few minutes to go, the ball was lobbed back over their last line of defence and **PAT du CASSE** reacted quickly, getting a slight touch which diverted the ball past the 'keeper and in off the post.

Facing the uphill slope in the second half, we soon took control from a pacey Joe Garvel free-kick from the edge of the area and **SIMON WILSON** stooped low and glanced the ball into the far corner of the net. The game suddenly became easier and the 6ths controlled the rest of the match with some fine passing and movement and, after a long ball straight over the opposing defence from Graham Nelson, **PAT du CASSE** ran through and beat the 'keeper.

And the final goal, marking **PAT du CASSE's** hat-trick, also followed a long through ball which he stabbed into the corner of the net.

WELL MATCHED 2nd XI 1 Old Aloysians 1

After a goal-less first half it took only a minute of the second for a drop-kick from Colin Lake to find **JASON TROUT** in space and he out-paced his defender and drove the ball into the corner of the Aloysian net past the advancing 'keeper.

Our visitors then upped their work-rate in their quest to equslise which was only five minutes in coming, resulting from an impressive solo run from their speedy No.11.

Both teams now had a strong incentive to win and this period of the game saw the most constructive passing of the game, especially from Aloysians, who gradually regained control of the midfield. However, the home defence stood firm, and moving Marcus Kewell forward, andAlex Pugh back, improved the balance of the side.

During the final 15 minutes the woodwork was hit at both ends and both sides had chances to score the winner, but a 1-1 draw was a fitting result for well-matched sides. Tony Reed

GREAT FIGHTBACK BY THE 1ST XI Old Owens 3 1st XI 3

In a game played in torrential rain, and on a pitch which gradually turned into a bog, the 1st XI came back from three goals down to earn a fine point.

The side started well and for the first ten minutes played some good football. However, two bad back passes, which stuck in the mud and should have cost goals, were scrambled clear. As the surface cut up, our short passing game, and players turning with the ball, began to get us into trouble.

Owens scored twice in about seven minutes midway through the first half. The first came when their winger reached our goal-line on the left, cut his cross back close to the goal and a forward, sliding in, managed to flick the ball over Rod Hall's out-stretched arms across and into the goal, the ball sticking about a foot over the line.

Soon afterwards a corner from the left was not cleared and, as the ball dropped in the goal-mouth, the defence stood like statues as one of the Owens' mid-field players smashed the ball home from six yards. For a few moments our heads dropped but we picked ourselves up again and Owens' goal came under pressure and we went close on two or three occasions.

The second half started with the 1sts pressing for a goal to get us back into the game. The Owens' penalty area was now like a quagmire and any clever stuff was impossible and, against the run of play, Owens scored a third about 15 minutes into the half. A long throw from the right, as Owens broke quickly, was miss-kicked by their centre-forward, who appeared to push Terry Adams. The ball ran across the goal for a few yards and another Owens' forward arrived first to slide the ball under Rod Hall as he rushed out to smother it.

Lesser sides would have been finished by this ill-luck and very poor refereeing, but the 1s seemed to be spurred by this third goal and, in a five minute spell, about ten minutes from the end, we levelled the scores and nearly won the game!

The first came from **'MONTY'** in a goal-mouth scramble, when he managed to find a gap inside the post from eight yards. The second came from a corner. The ball dropped dead on their penalty spot and was pushed through to Mick Pilgrim. His fierce shot was blocked by the 'keeper's chest and **TONY MAUNDER** hit the rebound home, whilst the equaliser was the direct result of Owens' time wasting tactics. Their 'keeper and a midfield player began pushing the ball back and forth between them. The midfield player then decided to run the ball up the left, was caught and robbed and **'MONTY'** scored with a fine cross-shot from the right-wing which just had the legs to cross the line in the morass.

The game then got really frantic, and both sides went close, and Owens closest of all when they scored what looked like a good goal only for the referee to adjudge it off-side. The 'long distance' referee had done his best to ruin the game throughout by officiating from the safety of the touchline in plimpsoles! It makes you wonder why referees of his age, and obvious lack of fitness, are allowed to take charge of games of this importance – the only time he was near the ball was when the play came to him.

A marvelous recovery from the 1st XI in a game where the conditions did not suit us at all, and a good all-round fighting performance from every player. Jim Matthews
