Aubrey, from the OWFC 6th XI, is shaving all his hair off to donate to girls with cancer. It's really nice hair as well. (See photo) In 24 hours he has raised £400 all ready. Would be great if we could share this with the all the clubs chats. Such a fantastic cause. Any donations will help.

The Annual Alf Parish Memorial darts match will take place on:

Friday March 21st at Selhurst Park

As well as being an opportunity to remember Alf, this is a fun evening and is a great fund-raiser for Old Wilsonians

Both the Football and Cricket Clubs enter teams, both have been former winners, and both regard it as part of their fund-raising activities
Men of the Hill are also entering a team and we expect up to a dozen sides to be participating

Crystal Palace pay for everything – including a free buffet and some excellent raffle prices – whilst ***Steve Parish,*** son of Alf, hopes to be there, and ***Mark Bright,*** the former Palace striker who used to frighten opposing defences with his partner in crime, Ian Wright, has already confirmed his attendance

If you want to play for one of the OW teams please contact:

Cricket:	**Syd Sherlock**
Football:	**Dan Harris**
Men of the Hill:	**Doug Forbes**

Admission is £10 for players and £5 for those who wish to support the evening.
A Trade Union Branch has donated £300 towards the evening and, remember, ***every penny raised will be spilt evenly between every participating team***

I know that there are many Palace supporters within the OWs, so this is a chance for you to see the Club from the inside as well as knowing that one of the main beneficiaries will be the Old Wilsonians

OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With the influx of juniors and schoolboys , plus training and most team playing through the summer. Our hopes are high. We have expanded to 7 teams on Saturday & the Vets have joined the vets league on Sundays . Supervets will continue to play friendlies on Sundays.

We have raised annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees . junior members paying annual subs to the junior section. & schoolboys pay no annual subs but £5 weekly subs. Vets due to the number of games pay annual subs , Supervets £20 per game . Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30thSeptember 2024 . We are using pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by £3,500 to £22,500 per annum . The reason is ground maintenance (looking after both hayes & hawesdown) costs £60,000 per year , utilities has gone from £21,000 in 2021 to over £50,000 in 2024. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible

Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club.

Heres to a great season , good luck & enjoy

Alex Forbes

OWFC Assistant treasurer

OWFC 2nd XI v Acton (3-0)

On a glorious Saturday afternoon, with the sun shining, the 2s took to the Hayes fortress for the final home game of the season, looking to continue an unbeaten run stretching back to November. Facing an Acton side for the first time this season, the 2s took control of the game from the start with early chances forcing the Acton keeper into a couple of fine saves. Despite comfortably controlling the first half, the 2s grew frustrated, being unable to break the deadlock, with Marley coming the closest after striking the crossbar from an effort 18 yards out. Solid defensive work denied Acton any real chances, and this was rewarded via a gift from Acton's CB who handled the ball inside the area, allowing SHELTS to convert from the spot. Just like buses, having to wait ages for one, two come at once, as JBS opened up the Acton defense with a beautiful pass for QUASHIE, who took it round the keeper and doubled the lead, just before the break.

The second half continued in the same fashion, with Wilson's taking complete control of the game, and preventing Acton from creating any chances to concern Kaya in net. Despite the best efforts of the Acton keeper, who once again made a number of great saves to keep his side in the game, CHUNG found the back of the net with a tidy finish after a good cross by George from the right-hand side. 3-0. With the 2s heading towards a 5th win in 2025, Kaya made a superb double save in the closing minutes to ensure a 4th clean sheet of the season. Another great win infront of the home crowd for the final time this season, leading the 2s onto 4 huge away games to finish the season in style.

Match Report: Old Wilsonian 3rd XI 6-1 South Bank

Old Wilsonians produced a dominant display to secure a resounding 6-1 victory over South Bank, with attacking flair and defensive solidity combining for an impressive performance. A standout showing from T. WELLS, who played a key role in multiple goals, and a commanding display from centre-back S. PEARES, who was named Man of the Match, ensured the hosts claimed a comprehensive win.

The home side started on the front foot and took an early lead within the first ten minutes as Wells stepped up to curl a perfectly placed free kick beyond the South Bank goalkeeper. The advantage was soon doubled when J. PENN capitalised on a costly goalkeeping error, tapping into an empty net after the ball was spilled into his path.

Old Wilsonians continued to press forward, and their third goal came from a set piece, with S. BENWELL rising highest to meet a T. WELLS corner and head home. The hosts remained relentless, and after A. TAYLOR was brought down in the box, H. TAYLOR confidently converted the resulting penalty to make it 4-0.

T.WELLS then added his second of the game in spectacular fashion, cutting in from the left before rifling a stunning effort into the top right-hand corner. The provider then turned creator once again, cutting the ball back for S.BENWELL to tap in from close range following an incisive pass down the line from R. SWEENEY.

South Bank managed a late consolation with a well-taken direct free kick, but it was little more than a footnote in a match controlled by the hosts. While the attacking display grabbed the headlines, the defensive work of S.PEARES at centre-back was equally impressive, as he marshalled the backline superbly to limit South Bank's chances and earn a deserved Man of the Match award.

With T.WELLS instrumental in attack and S.PEARES rock-solid at the back, Old Wilsonians claimed a commanding victory that will provide plenty of confidence moving forward.

Southbank Cuaco 4 Vs OW7s 2
The 7s, fresh from a roster reshuffle with 6 changes from the last match, took to the pitch a little in disarray.

We quickly went two goals down, but fear not, for like a phoenix rising from the ashes of tactical disarray, we morphed from a bewildered 4-4-2 into a glorious, 3-5-1 with Al 'Arteta' Forbes pulling the strings.

Suddenly, it was like someone had replaced the boots of the 7s with Premier league replacement. Seb, Liam, Bruce, and Sonny were pinging passes like they were throwing confetti at a particularly lively wedding. Sonny even decided to give the crossbar a solid "hello" with a belter of a shot, and Jon Small choose to smash the goalpost with a free kick that Messi would be proud of. Alas, halftime arrived, and the scoreboard resembled a sad emoji: 0-3.

But hold onto your hats, because the second half was a different beast entirely. The 7s, now fueled by pure, unadulterated "we're not going down without a fight", we swarmed the ODs like a swarm of very determined bees. Jon Small, perhaps tired of flirting with the woodwork, finally decided to score, courtesy of some delightful footwork from Joshua and Joseph, who were combining like a well-oiled comedy duo.

Then, the ODs managed to find a stray ball, like a dog finding a dropped sausage at a picnic, and slotted it in. 4-1. But did the 7s give up? Absolutely not! Jon, clearly on a mission, teed up Sonny, who promptly dispatched the ball with the kind of finish that makes you spill your pint in excitement. 4-2! The elusive third goal danced just out of reach, like a mischievous leprechaun, but the 7s had put on a show worthy of a standing ovation (or at least a hearty round of applause).

Man of the Match deliberations were intense. Sonny was a wizard, Jon was a goal-scoring machine, Joshua and Joseph were a dynamic duo, Seb and Bruce were midfield maestros. But in the end, Liam Charlesworth, in his second consecutive performance of pure, unadulterated brilliance, took home the crown. He's basically a footballing superhero in disguise, destined for bigger and better things.

In short, the OW7s gave us a rollercoaster of emotions, a masterclass in tactical improvisation, and a reminder that even when you're down, you're never truly out. And Liam? Well, he's just plain awesome.

Albanian 1 OWFC Vets 1 (Vets win 5-4 on pens).

Friday 28th February I am looking forward to a long trip to Donkey Lane, Enfield with a full vets squad when I receive an email to say that the game has been called off for waterlogged pitches. This was fairly dubious given it was 2 days before the game and we know that games were played at the venue on Saturday and Sunday. Anyway, fast forward a week and we were making the same journey with a heavily depleted squad for this cup quarter final.

We arrived at the pitch to find know ref and no oppo. The ref soon turned up on his delivery bike and was in no rush to start and then the oppo turned up with no kit and started to put the nets up. Turns out the kit was wet having been washed that morning and they took the bright decision to wear orange bibs which didn't clash with the famous old gold and black at all.

We had 12 including 3 players making their first appearance of the season. Huge thanks to them for stopping us from giving a walkover and keeping our pot hunting dreams alive.

We started well. Parkinson engaged his inner Van Basten and went close with a volley before Bonsels gave us the lead with a long range effort. We remained on top and DuCasse went close after a good move. As the half wore on the sleeveless Albanians started to get back into the game. The started to gain territory without creating any chances and we went in a goal to the good.

Albanian were the dominant side in the second period although they didn't create much until the last 10 minutes. Up until then we harried well in midfield, defended solidly and looked dangerous on the break, missing 2 very good chances with just the keeper to beat. At the other end we got a bit lucky with a disallowed goal but Donnelly didn't have many saves to make and we kept them at arms length. Into the last minute and we gave away a corner. Screams of stay with your man, compete, attack the ball rang out. Smart ignored all of these and let his player head in unopposed.

The whistle went and straight to pens it was. Albanian illegally replaced their keeper but the first 8 were scored. Parkinson, Bonsels, Paton and Free before Albanian bravely sent up their replaced 80 year old keeper and Donnelly managed to save his piledriver. Up to Smart to finish and despite wetting himself on the way up he buried it to the keepers left to become the self proclaimed match winner.

Free was mom with his tireless running but huge thanks to all who allowed the game to go ahead.

Having already been to Ilford, Eton and Enfield this year in the cup, it only right that the semi is in Chigwell.

Up to the vets

Steve Donnelly, Ben Playford, James Paton, Doug Smart, Ruben Pillai, Dan Harris, Jamie Parkinson, Andy Free, Lloyd Ffrench, Pat Ducasse, Gary Bonsels, Matt Watts

LEARNING THE LESSONS OF A CLEAR HEAD Old Wokingians 2 8th XI 0

A much changed side, not only in personnel but from a positional sense, played a useful Woking side but, unfortunately, came off second best. Everybody gave their all and there were odd patches of the style of football which have carried the 8ths to a successful season. However, the positional changes did not help us to play our normal fluid game.

As already said, everybody gave his all and with the match at 0-0 at half-time we had hopes of escaping with a draw, but a goal early in the second half put us on the back foot and, although we had a number of half chances, we were perhaps over elaborate with the final ball.

Good games from Tony Higgins and Sam Shale and a big 'thank you' to Charlie Cocks for stepping in at the last moment and giving a very creditable performance.

Finally, one thing our goal-keeper will have learnt is that too much lager on a Friday night does not help your performance!

DOUBLE-HEADER BRINGS DOUBLE GRIEF 7th XI 0 (1) Old Sedcopians 4 (3)

With a double-header against third placed Sedcopians, we had the opportunity to gain points to take us back into the top half of the table. However, we failed to rise to the challenge and, in the first match, put in a perormance which was by far and away our worst of the season.

Three goals down at half-time, we were never really in it, and an early goal for Sedcopians in the second period was no more than they deserved by the end.

The second game saw a few changes in personnel, including Simon Letts moving into goal, allowing Ian Pilgrim to referee. After five minutes our new 'keeper made a "slight error" to concede a very soft goal and we then went 2-0 down after our defence failed to apply the off-side trap correctly.

In the second half we raised our game somewhat and **STEVE CHINNERY** pulled a goal back, but Sedcopians scored a well-taken third to collect all three points.

The Morley Saga – Final episode - apart from viewers in Scotland, who have their own programmes at this time

The story so far: The marriage of Jane and Rochester is prevented at the last moment by the revelation that he already has a wife, kept hidden at Thornfield. Now read on

Pat Johnson Probably one of the fastest players in the Club. I would say that your speed and determination needs no improvement. Your shooting and ball control are of a very high standard but flair, and 25% more effort is required to enable you to really reach the peak of your capabilities.

George Carrington played one game for the 1st XI last year and, without a doubt, dropping him was the hardest decision I had to make in the whole of the season.

George played for us against Colposa in a game which ended in a 2-2 draw in which his own performance was excellent. His determination to win the ball and to do something constructive with it far outweighed some of the effort that was put into the game by certain other players!

However, and as it is now on record, I did leave George out of the following game amid, I might add, substantial criticism. My reasoning behind this was that I felt, and still do, that George lacks that extra little amount of pace that is necessary to raise his game to the standard it should be, and he also lacks the necessary heading qualities of a 1st XI player.

However, let it not go un-noticed that that one performance last year by George was sufficient indication to me, and other members of the 1st XI, of the quality of football being produced by him and the rest of our 2nd XI. What a spur this was and how grateful I am to him for it.

I have left out of this report certain other players whom I would like to have mentioned, but I will attempt to cover them all generally by saying a most sincere 'thank you' to them and the skippers of the various sides throughout the Club who helped me so much during the season.

Finally this report was not written in a facetious or over critical manner. It was entirtely my own idea to do it and, if anyone has drawn any rebuff or angry feeling from it, I apologise. And if you wish to take anything up with me then please do so.

The worst thing you can possibly have is a report such as this where you do not agree with something and it sits there inside you just waiting and biding its time until it flares up. If you disagree with me, do not punch me on the chin, for I'm sure we can discuss it.
