OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With the influx of juniors and schoolboys , plus training and most team playing through the summer. Our hopes are high. We have expanded to 7 teams on Saturday & the Vets have joined the vets league on Sundays . Supervets will continue to play friendlies on Sundays.

We have raised annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees . junior members paying annual subs to the junior section. & schoolboys pay no annual subs but £5 weekly subs. Vets due to the number of games pay annual subs , Supervets £20 per game . Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2024 . We are using pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by £3,500 to £22,500 per annum . The reason is ground maintenance (looking after both hayes & hawesdown) costs £60,000 per year , utilities has gone from £21,000 in 2021 to over £50,000 in 2024. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible

Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club.

Heres to a great season , good luck & enjoy

OWFC 1s

The 1s title charge continued this weekend with a trip to the New River Leisure Centre in N22 to face Wilberforce Wanderers. The New River Leisure Centre takes its name from the New River which runs to the west of the complex, an artificial waterway that supplies fresh drinking water to London from the River Lea.

Spirits were high in a cramped changing room as we were buoyed by the return of SITCH and KENDRICK to the fold. Discussion quickly turned to the relative strengths of Robot Wars house robots Matilda and Sir Killalot and questions on what PLAYFOOT might be up to on his school trip to Prague. After a rousing team talk the lads burst the banks of the changing room and spilled out onto the 4G ready for the game.

Early knockings saw the Wilsonians dominance that we have come to expect this season, with neat passing and a high line helping us to maintain territory in the Wilberforce half. After some hard work pressing the centre back, WRIGHT intercepted a wayward pass just outside the box and opened his body up to whip a devilish finish into the far post. 1-0 to the 1s.

The dominance continued with Wilberforce forays into the Wilsonians half only few and far between, yet the 1s struggled to make many clear cut opportunities for themselves. That was until RIMAN slipped one through the inside channel to SMART who showed his youthful vigour in reaching the over-hit pass before being assaulted by the keeper and earning a penalty. JEEVAN calmly dispatched the penalty in the bottom left of the goal, leading the 1s into half time with a 2-0 lead.

The 2nd half began in a somewhat more attritional manner with Wilberforce gaining some territory for the first time in the game. A ball down the channel and a looping cross saw the opposition bring it back to 2-1 at the back post. It was time for the lads to dig in and take control, and through some valiant defending from JAMES at CB we were able to dam the flow of many Wilberforce attacks. Indeed, our CBs would continue to be the source of our success as GILL peeled off to the back post from a JEEVAN corner and rifled a trademark volley into the top corner for 3-1. GILL's jubilant celebrations rewarded him with an off-the-ball kick from a particularly chirpy opposition defender, but like pebble subject to the erosive power of the New River as it travels downstream the opposition defender's confidence was eroded by a stern talking to from the ref and a glance at the scoreboard. Little was heard from him for the remainder of the game.

After a couple of controversially disallowed goals from SITCH and KENDRICK, the game was wrapped up when JEEVAN meandered into a dangerous area and slipped one into RIMAN who took a touch and slotted it past the keeper for 4-1. A resounding win for the 1s and another 3 points closer to the title.

Post-game events saw a friend of the uncle of the Haringey Borough's assistant manager's gardener tap up STEADFORD and JAMES for a run in the Ithsmian league. Both laughed him off asking why they'd take a step down in quality at their ripe old age. After a season's-best rendition of Aerosmith in the changing rooms, the mighty 1s were into the bar for some beer and chips at the top of the league. What a feeling.

OWFC 2s v. Civil Service.

Old wils made their way to civil service with the slight probability of promotion still within their grasps, the 2s started the game on top, Ade Dada causing the opposition headaches with his Mbappe like pace, coming close twice but Wilsonians unable to capitalise from this run of play of play due to his Lukaku like finishing

The game balanced out with Civil service capitalising on their home advantage, which was a amplified by a pitch that was way past it's sell by date. Tony Pulis style long balls up to their 2 oversized strikers was the theme of their game with Fitz and Shelts snuffing out their game plan early on, keeping the 2 oaths at bay.
But the ref had other ideas, awarding the opposition a penalty after an interchange between Shelts and oath number no1. 1 nil down.

Kaya kept his mind in the game making some acrobatic dives to keep oath number 2 out. This lit a fire in the whole team, after some tidy passing interchanges involving KP, Josh and Tom, Old Wils hit 2nd wind, or one might say Super Sayian mode when it comes their no 9, 2 back to back strategic gameplays telepathised by Danny from Heathrow Airport results in Josh bringing the game back to 2-2 in a blink of an eye with 2 tidy finishes.

Halftime. Wilsonians go out to finish the game off but the ref has other ideas. Oath no 1 after being paralysed from Shelts shoulder barge in the 1st half has a fit and slaps the ball with his hand TWICE to force his way past Fitz who looks on in sheer disaray as the ref waives play on. And with a scene that looked like it was out of a comedy, Oath no1 scores again, which results in an on pour of rain and thunder as if to say the football gods were crying witnessing what had just happened here.

Old Wilsonians battle on like they have all season for the rest of the game, the whole team coming together to try to force the slight hope of promotion but the ref decided to make the game all about him booking 3 of our players in the final 10 minutes of the game. Game finishes 3-2 to Civil service with the hopes of a Old Wilsonians promotion down the drain and the hopes of a good pitch and a decent ref not too far behind.

OLD BLUES 1-1 OW 4XI

Goal scorers: Magnus Wright

Another trek West had the 4s looking to continue their strong league form in Ham. Excited to play real hock & roll football, the boys (apparently) had a decent warm up and stood for 5 minutes while the ref lectured them on his rules and stories from the battle of the Somme.
As the fans shouted 'Gio, Gio, Gio' from the stands, Lucas kicked off with his first start since his alleged lung & liver cancer diagnosis - while Cejay stood on the sidelines holding the sore balls that his missus had been squeezing since Thursday.
The surface was decent and the 4s popped it around for a while without making too much of a dent in the OB defence. A free kick from the returning Toby, who's concussion seems to have taught him to play football with his feet and not just his head, curled in a ball sexier than ana de armas getting on her knees and tying her hair back - new skipper Max, trying to show his recent ruthless introduction hadn't gone to his head, got his noggin on the cross and forced a decent save from the keeper.
Debutee Alex strutted onto the pitch in place of Sonny 'First Sub' Rowe, and settled nicely into the game. Tyler, if you're currently capable of reading English, stay in Dam, it's where you belong, we don't need you any more. Soon after, McDonaldwell was clean through, one on one, and after looking up and seeing he had no more players to beat 3 times was a brave boy to overcome his fear of shooting and a decent strike once again was saved by the keeper.

4s feared hard man Nathan was forced to wear cargos at right back because the pockets in his shorts were too small for Gionel Messi, the Italian sensation who looked a bit more Danny de Vito than Danielle Di Rossi. The pot-bellied Nonna struggled to control his emotions and got a verbal warning from the ref who told him that the best way to stop crying is to think how good his life is for not having to see Louis Day every week. He was ungrateful and so didn't stop squealing. 0-0 half time, OWs well on top but needing to find the opening goal.

The game opened up a lot in the second half, and 20 minutes in MAGNUS did what Magnus does best and with a bit of luck found himself with space on the angle to lash the ball into the far corner to give the 4s a well deserved lead.

Old Blues responded quickly and some tricky play inside the final third was ruined by a pass to Gio Walcott and the 4s relaxed because the 'weird, weird man' was on the ball and with all his might and a cute moan his toe punt trickled past the far post.

The game began to break up with lots of fouls creeping in and the ref mistaking his football whistle for his emergency fall whistle. The 4s defended a barrage of set plays well, until a soft free kick was curled into the box. Godwin, hairband and return to net making him think he should emulate Karius as well as feeling sick from smelling goalie gloves that had been soaked in Orchard's Cider all week, let it in softly and was grateful of his team's lack of shame as they pleaded for a free kick. 1-1.

The 4s blew and blew (like Louis when he asked what he had to do to get star of the month at work) but to no prevail as the game ended in a draw, and two valuable points dropped in the race for promotion. Nonetheless, Gio's homemade pasta and boiled chicken went down a treat with a warm can of Guiness.

OWFC 7s match report

You never know quite what to expect when facing Merton. We've dished out – and been on the receiving end of – some cricket scores over the years. But the mighty sevens, boasting a full compliment of 14 players, felt confident going into this one. We started on the front foot, pressing hard, and our efforts soon reaped rewards. By half time we were in dreamland – 5-0 up, including a hattrick from Jack Curtis.

At half-time the talk was all about being wary of complacency – and we certainly weren't, scoring early in the second half, and dominating the rest of the game, including a hat-trick for Seb Winifred-Davies (who came on as a sub). When you score this many, it's hard to remember the order of the goals, but there were also two goals for Sid Callaghan and one for Sam Forbes, both of whom were a thorn in Merton's side all afternoon.
10/10 performances all round, with Joe Kajdi bossing midfield, and Nathan Carter dominant in defence. Sam Waton in goal had a rare boring afternoon! And a man of the match performance from Liam Charlesworth on the wing, terrifying the Merton defence and getting numerous assists. A great day's work, and hopefully the start of a great final stretch of the season!

Team: Sam Waton, Joe Kajdi, Nathan Carter, Callum Hazell, Vishu Ketheeswaran, Saj Phakey, Roddy Trompiz, Sid Callaghan, Jack Curtis, Seb Winifred Davies, Doug Forbes, Sam Forbes, Liam Charlesworth

LEAGUE LEADERS WELL WITHIN REACH 6th XI 2 Chertsey Old Salesians 0

On the back of a 5-0 win against Old Paulines the week before, the 6th XI went into this 'top of the table' clash with Chertsey Old Salesians full of confidence. The game started slowly, with both teams having few chances, but the deadlock was broken after about 20 minutes with **JOHN WARD** heading superbly home from a Duncan Hayward cross, and the 6th XI reached half-time with a 1-0 lead in a game which Chertsey certainly could not afford to lose.

And this attitude manifested itself as the 6th XI goal had to put up with attack after attack, with little happening at the other end. But the team came through this onslaught well and, after a quick refereeing change, the game went on as before, with Chertsey squandering chances here and there.

Our defence continued to hold their ground, with valuable performances from 'newcomer' Stuart McBride and Duncan Hayward, and the game was put beyond Chertsey when **PAT du CASSE** slotted home five minutes from time.

This great result sets the 6th XI up neatly for the league championship, as we are now only two points behind Chertsey and with a game in hand.

8TH XI SIGN OFF WITH A DRAW 8th XI 2 Old Wokingians 2

Against a competitive and willey Wokingians side we again found it difficult to play our normal flowing football. Having said that, everybody gave their all, although we were hampered by the loss of Pete Davis (Really? – ed) after pulling his newly discovered muscle, and Anthony Taylor, who proceeded to be rather ill on the sidelines at regular intervals. Luckily we had Tony Higgins (Really? – ed) who replaced Pete and, may I say, played very well, and Fred Brindle, who came on for Anthony.

The first 15 minutes saw the 8ths under continuous pressure, notwithstanding that, at that time, they only had ten men, but we weathered the storm and, on actual chances, should have won the game. However, Woking were always a threat and, in the end, a draw was probably a fair result.

This was a somewhat disappointing ending to a magnificent season and it would have been nice to have finished with a win.

A letter from our Life President

Dear Mike,

May I, through the newsletter, thank those concerned for a delightful evening last Friday at the Football Club Dinner. You will probably never be able to appreciate what it means to be able to meet such a lot of old friends after such a long break. Bob Bevan's organisation of the event left nothing to be desired and the meal was excellent.

I was particularly pleased to learn that John Cooper is now an 'Honorary OW.' He has been a jolly good scout for many years and I believe his name and mine were linked together in Bill Greenland's 'History of the AFA.' We both went to the 'Golden' and 'Daimond' Jubilees of that organisation and I believe I also went to the 'Silver.'

My journey home was without incident and my wife, Audrey, was waiting for me at Seaford station.

All the best to you all, and may the Club continue to thrive. I feel sure that it will as the 'young 'uns' are enthusiastic and are well guided by the experience of the seniors.

Yours etc, George Croucher

FORBES THE FLYING WINGER 6th XI 3 Old Grammarians 0

Playing against a team languishing near the bottom of the table, the 6th XI were slow into their stride in conditions that were near unplayable. Grammarians lined up with only ten men, including an obvious new-comer to the goal-keeper's jersey, but, for much of the first half, the 6ths were lucky to be on even terms, as Grammarians adapted to the conditions much better, with our midfield having trouble adjusting to the flow of the play and we were continually caught in possession attempting to string neat passes together in the quagmire around the centre-circle.

Too often Mike Gasson and Pete Russell were left to take on the Grammarian defence on their own, and it took a brilliant piece of individual skill by **PETE RUSSELL** to give us the lead, evading several lunging tackles as he dribbled his way through their defence before placing the ball wide of the 'keeper.

Midway through the first half a Grammarian player was carried off the pitch and took no further part in the game but, even with nine players, our opponents continued to create chances.

The pattern of the play in the second half was similar to that of the first, with passes continually going astray as players were caught in possession. Gradually, however, numbers began to tell and one of **IAN FORBES'** numerous right-wing crosses was left by their goal-keeper, and the rest of the Grammarian defence, to find its way into the far corner of the net and, shortly before full-time, a goal-mouth scramble ended with **PETE RUSSELL** sending a low hard shot past the goal-keeper for our third goal.

Summing up, this was a game best forgotten by the 6th XI, despite the victory, and the pitch conditions cannot excuse a poor performance by several of the players. The problems appeared to stem from the team's approach to the game from the outset, only to be confronted by a Grammarian side who fought harder than expected.

This casual approach by several players must be eradicated if the 6ths are going to improve on what has been a disappointing season to date.
