OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With a further influx of juniors and schoolboys , plus training and a couple of teams playing through the summer. Our hopes are high. We have 7 teams on Saturday & the Vets on Sundays playing league football . Supervets will continue to play friendlies on Sundays.

We have kept annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees , but no annual subs. Junior members paying annual subs to the junior section & schoolboys pay no annual subs but pay £5 weekly subs. Vets due to the number of games pay annual subs , Supervets pay £50 annual subs & £10 per game match .

Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2025 . We are using Pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by 7.5% this season taking it above £24,000 per annum . The reason is ground maintenance (looking after both hayes & Hawesdown) costs £71,000 per year (up from £60,000 last season due mainly to the extra cost of running Hawesdown), utilities has gone from £21,000 in 2021 to over £54,000 in 2025. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club. Here's to a great season , good luck & enjoy

Saturday 22nd November
Old Wilsonians 2s vs Dorkinians 3s, SAL Junior Cup 2nd Round
Old wils 3-1 Dorkinians

It was a cold and rainy afternoon at home, where the 2s met with Dorkinians in the cup, hoping to keep another strong chance for silverware alive. Spirits were high until a late change was forced upon the squad when Marley cleverly decided to not tell anyone that he was in Nottingham for the weekend, and leaving it til only an hour before kick off to let anyone know.
Old wils started the game by far the stronger team, dictating the play and creating chances. Midway through the first half, Fitz collected the ball on the half way line and played a straightforward pass out wide to Lester who, as he had done all game, got the better of the fullback and struck the ball into the bottom right corner. 1-0 Old Wils.
As the second half began the 2s felt Dorkinians come back out fighting to remain in the competition. They increased the pressure meaning that Old Wils would be in for a nervy last 45. Despite this, the better chances came from the home side, as Austin was creating from the RW position. However the ball failed to find the back of the net. With 3 minutes of normal time to play, and Dorkinians still not managing a proper shot on goal, the away team found themselves with a golden opportunity to float a ball into the box from a freekick which fell to the striker and made it 1-1.
This goal would send the game to extra time.
As extra time started, the 2s knew that they were the better of the two teams and therefore would just need to play their game and remain focused to avoid penalties and progress to the next round of the cup. Mid way through the half from a corner, the ball fell to Callum who rocketed the ball with his weak foot into the bottom corner. This was followed by a knee slide to the corner flag that was almost as good as the goal.
During the last moments of the game, Old wils continued to defend solidly, which they had done all game, to see out the win. With one minute to go Dorkinians found themselves with a corner. The keeper was up. But a poor ball in meant that Nils was able to carry the ball up the pitch and put a ball straight through to a sprinting Zac, who slotted it into an empty net. This sealed the tie for the 2s and sent them straight through to the next round of the cup.

OW 6's v Southbank 8's (AFA Cup – Second Round) – 22/11/25

After two cancellations in a row, the boys were eager for a game and we all had our fingers crossed hoping this one would go ahead! Thankfully we got the green light and a fired up 6's were ready to take on Southbank 8's. We had already beaten their 7's (2-0) in the first round of the cup, so we were confident heading into this fixture.

The game kicked off and it was clear to see from the opening minutes that we were the better team. Already knocking it about nicely, creating chances and putting Southbank's defence under pressure.

15 mins in and Callum Hazell receives the ball at LB. He makes a driving run up the left wing, glides past their defenders and finds himself just outside the edge of their box. He fires a dangerous, low driven pass across the box, which hits multiple people and eventually ricochets off a Southbank defender into their own net. 1-0 to the 6's!

We carried on our momentum and around 25 mins in, Joe Kajdi picks up the ball in midfield, passes it to Will Robertson who's already been influential in creating chances and he adds another one to his list as he finds James Stride outside the box. James takes a beautiful touch to spin away from his defender and starts driving forward with power. He's built up a lot of speed and decides to have a go from long distance and smashes the ball. The connection was perfect and its hit the underside of the crossbar and gone in. Nothing the keeper can do. As Al Forbes described it 'A Stride power blaster'. 2-0!

With that goal, we became a little too comfortable and this invited some pressure from Southbank. They had a young, skilful player who was causing us problems and only 5 mins after scoring our second goal, he produces a bit of magic and slots one in the back of our net. A wake up call and a reminder to stay focused. 2-1. 30 mins in.

40 mins in and Callum Hazell picks up a knock. Vishu Ketheeswaran replaces him at LB.

A couple mins after our first sub, some more link up play between midfield and attack see's James Stride play a lovely ball into Will Robertson who had carried on his run from midfield. This split their CB's completely and Will was through one on one with their keeper. He went to place it bottom right but the keeper managed to get low quickly but only parried it out to James Kpogo who had burst through from the right and smashes it first time. It hits the keeper who's still on the ground from the first save he made and it falls yet again to James Kpogo who slots it home. 3-1 to the 6's!

The whistle blows and half time is here. Nana Sarpong replaces Darin Sepelj. Caiden Richards replaces James Kpogo.

The second half commences and we carry on with our attacking momentum. It's clear to see Southbank are tiring and we want to take full advantage of that. So we make some more subs. Eren Hassan replaces James Stride. Liam Charlesworth replaces Henzo Coimbra. A few mins later, James Kpogo comes back on and replaces Joe Birale.

Since coming on, Eren Hassan has been creating a lot of dangerous opportunities and one came from him dropping a little bit to receive the ball. He then beat the defender which had pushed him towards the left wing. He looks up to find Nana Sarpong in midfield, who has an excellent touch and spots the marauding run of James K. Nana plays a beautifully weighted pass which is met with power and technique on the edge of the box from James K who slots it in the bottom right corner. 4-1. 65 mins in.

After this goal, it was pretty much game over. We started having chance after chance after chance. Caiden Richards among the most who was beating his defender every time with pace and strength. He unfortunately just couldn't find the back of the net but looked very positive. Darin Sepelj was creating some great chances and had a long shot which skimmed the outside of the right post. Eren Hassan was finding himself in pockets and taking some shots which narrowly missed the net.

After all of these chances, we seemed to have finally broken the spell and with a delicious cross from right wing, James Kpogo headered in his third goal of the day and got his hattrick. However, after a few seconds had gone by, the whistle was blown and the ref called it offside. Frustrated to have not increased our lead to 5-1 and gutted for James as that would've been his first hattrick for OW's.

75 mins in Callum Hazell replaces Joe Kajdi.

80 mins in and we could've quite easily scored 10 goals this game. However, Southbank had not given up and they deliver an over the top through ball. It unfortunately slips under the feet of Nathan Carter and finds Southbank's striker. Sam Waton sprints out of goal to try and close him down but with a composed finish, the striker scores with a nice chip. 4-2.

The ref blows the final whistle. The 6's win 4-2 and are through to the third round of the AFA Cup!!

Man of the match: James Kpogo
Scorers: James Kpogo x2, James Stride, OG
Assists: Will Robertson x2 and Nana Sarpong

THE FREE-KICK THAT MIGHT CHANGE OUR SEASON 4th XI 3 Old Woodhouseians 2

It was a wet and windy day at Hayes but the 4th XI were determined to bring a dismal run to an end with a win in the Old Boys Invitational Cup over Old Woodhouseians. After watching the Manchester derby earlier in the day, the 4s decided it would be best to score in the first minute in a similar way to Manchester United, so we did!

A great cross from the right by James Karamath, reminiscent of Beckham (Victoria or Brooklyn? – ed) was converted by **STEVE JEROME** with a neat finish over the 'keeper. However, and unlike that of United, the 4th's defence could not hold out for the full 90 minutes and Woodhouseians equalised – and in the second minute! It certainly was not going to be a boring game.

Things were even for the next 60 minutes, both teams matching each other stride by stride, blow by blow and, indeed, miss by miss.

Manager Micky Hughes, who probably drinks as much as Alex Ferguson, showed similar tactical prowess and a substitution led to a goal. With James Karamath now up front, and Adam Gedney filling in at right midfield, the front two paired up to score the next goal. A 'slip' ball from Gareth Perry to **JAMES KARAMATH** saw the latter round the 'keeper to score - 2-1. However, and again, Woodhouseians equalised with more than a hint of off-side that the referee was oblivious to.

With the rain now coming down in droves, and the pitch cutting up, extra time looked on the cards, but then the moment came to change the 4th XI's season. **STU' PATON,** the talisman of the team, stepped up to a free-kick. A lot of the team did wonder why our biggest guy was not in the box but, in the law of the sod, the big guy *stuck it straight in!*

We went crazy. The crowd went crazy. Mike Harris was going nuts. Stu', however, showed great modesty and walked calmly back to his own half. However, I do know the real reason for the silence of our goal-scoring hero for, in the changing room, he sat staring into nothing with a blank expression on his face bemused, I think, at his own brilliance. I don't want to get over excited about football, like Keegan did when he lost the league to Manchester United, but "I would love it if we beat our opponents next week – "*Love it.*"

The memorial to Pat Fitzsimmons will be unveiled at the Club this coming Saturday, November 11th, at 1-00 p.m. Pat, a former President of the OWA, played football for the Club and was a Vice President of the OWFC. He was also an outstanding cricketer and put in many hours of unselfish dedication into the Club. You are all encouraged to come and pay your respects to this fine Old Wilsonian and should arrive by 12-30. If you have not already done so, then please inform Mike Kendrick so that we can get some idea of numbers.

SETTLED SIDE NEEDED TO MAKE LEAGUE PROGRESS 1st XI 3 Mill Hill Village 0

The 1st XI fielded yet another changed side, a situation forced upon them by injury, lack of form and unavailable players over the past few weeks. We must now settle on a constant format to produce good league results, now that we have a number of Cup games behind us.

It was a positional change that produced the goals in this game, with Terry Adams moving back to his League position, releasing **MARTIN ELLISON** to play in midfield and Martin, although no Tony Currie, scored two goals, the first coming early in the game after good work by Gerry Reaseley, whilst the second was probably the best free-kick ever to grace Hayes. The ball was placed 30 yards from the goal and Martin lashed into the top corner with the 'keeper hopelessly beaten.

Our third goal came from **JIM MATTHEWS** after a Mill Hill full-back had made a dreadful back pass, giving the 'keeper no chance as Jim pounced on the opportunity and whacked the ball home.

Personally, I do not think we played as well this week as we did in the first half last week. We must remember in the second half of each game to continue to press forward from defence as a unit, thereby forcing the midfield to keep in the game, but this game will give the team much needed confidence to challenge again for league honours.

‘GEORDIE’ ANNOUNCES HIS ARRIVAL IN STYLE Mill Hill Village 1 6th XI 7

Writing in a crowded bar, with fag ends and brown ale bottles passing in front of your eyes every five seconds, is not the best place to compose a report, so please excuse any inadequacies.

Well, the score speaks for itself, as the 6th XI continued their successful run, and it was not long before they took the lead. ‘The Cat’ had forgotten his boots, so we had to start without him whilst he trooped round Mill Hill looking for a sports shop and ended up buying a pair of Puma 799s, and we told him they should last him until the end of his playing career. (Not that anyone was suggesting he should retire – ed). By half-time we had taken a 2-0 lead and were pushing the ball around well in all quarters.

The oranges must have included some special ingredients because we immediately stormed into a 3-0 lead upon the resumption. I was quite pleased with the three goals I had scored until I was told that, by scoring a hat-trick, I had let myself into buying the beer and writing this report!

Our defence was obviously feeling sorry for Mill Hill, so we gave them a consolation goal – the fact that it was a 35 yarder and unstoppable is neither here nor there. However, we all felt that one was enough for them, so we added another two of our own before the final whistle.

I understand that I am the third P.Johnson to join the OWs so, to avoid any confusion, I shall use the cleanest of my nick names, which is ‘Geordie.’
