OWFC Business Code of Conduct / Annual Subs

A new season is upon us . With a further influx of juniors and schoolboys , plus training and a couple of teams playing through the summer. Our hopes are high. We have 7 teams on Saturday & the Vets on Sundays playing league football . Supervets will continue to play friendlies on Sundays.

We have kept annual subs for 21s & over in employment to £150 & under 21s in employment £75, both pay £10 weekly subs . If you are playing 4 or less games you will pay £20 match fees , but no annual subs. Junior members paying annual subs to the junior section & schoolboys pay no annual subs but pay £5 weekly subs. Vets due to the number of games pay annual subs , Supervets pay £50 annual subs & £10 per game match .

Unemployed please chat to your skipper or Stu Dunk (treasurer or me (asst treasurer) and we will agree something that is workable for you as we want you to play . Annual subs are due on 30th September 2025 . We are using Pitchero & you should have an email to confirm your details, receive newsletters , about events also paying your annual subs or outstanding fines like yellow and red cards.

Why the rise in annual subs ? our rent to the association has gone up by 7.5% this season taking it above £24,000 per annum . The reason is ground maintenance (looking after both hayes & Hawesdown) costs £71,000 per year (up from £60,000 last season due mainly to the extra cost of running Hawesdown), utilities has gone from £21,000 in 2021 to over £54,000 in 2025. So it is important you pay your annual subs on time as we look to break even. Its also important you support events not only so you meet players from other teams but also have some fun & hopefully we make a bit of money , which will hopefully keep your annual subs as low as possible Also find a code of conduct we expect all our member to follow. Please read them as this is the minimum we expect as a club. Here's to a great season , good luck & enjoy

Old Wilsonians 1st XI v Winchmore Hill

The 1's kicked off this season with a home fixture versus winchmore Hill. The purple pussycats has always been a tough fixture for us and we narrowly lost them in a cup last season.

But this is not last season, this is this season.

Introducing to you 17-year-old Freddie Ingles. A left back from last season came in and got put straight up front. A hattrick later and we think we will try him as a forward again.

Teddy Farmer reborn returned and although still with the top knot, he seems to have forgot he needs to get at least a yellow card every game. We will be having a disciplinary meeting with him as he forgot to get carded or perform acts of simulation. Instead he came off the bench with a goal and an assist to turn the game.

Excellent performance from new goalkeeper Toby and from the three players brought up from the 2nd XI.

The two Sams seemed best of friends off the back of last seasons blazing argument. One mounting the other as they secured the carabiners.

Bon Marley on full volume.
We go again next week.

SATURDAY 13TH SEPT
OWFC 5XI 3 V 2 OLD DORKINIANS

On the back of an immense last season the mighty 5s stepped onto Hawes Down for a first league game against Old Dorking. Everyone was ready to the season up and running after training hard all summer. Dyki had recruited well over the off season and the 5s welcomed 4 new arrivals who were making their debuts- YUSUF, PARTHIV, SMITH and ARZENTE.

The game kicked off and the 5s were going down the hill with the wind. Dorking were a tall bunch, and it was clear from the start they wanted to play the ball over the top but BILLINGS and ARZENTE were more than up to it. A few minutes into the first half, DYKI puts the ball into the box and it soars towards the back post where WRIGHT was waiting to chest it down into the goal (using his hands) first blood OWs. The lead soon doubled as MERV played it down the right-hand side to DYKI who swept it round the corner for BUCKLE to chase. BUCKLE was still a fair way out when he saw the goalie off his line and from 35 yards out he calmly slotted the ball into the empty net. But the 5s weren't done yet. Dorking were all over the place and it was time to capitalise. YUSUF danced his way into the box where the keeper takes him down to concede a penalty. YUSUF then stepped up to take the penalty and tuck it (somewhat) into the corner to make it 3. What a start to the season but the job wasn't done yet. With a few minutes left in the first half the Dorking centre mid found himself in a bit of space 15 yards outside the box and decided to have a shot at goal. A clean hit took the ball soaring into the top corner making it 3-1 and giving Dorking a bit of hope before half time.

The 5s halftime team talk was a calm one. We knew we were going against the wind and up the hill so we would have to soak up some pressure and thats exactly what happened from the start of the second half. Some very scrappy goalmouth scrambles and some top saves from SAGGAR kept the score as it was despite dorking putting the ball in the back of the net straight from a throw in but it couldn't last forever. With about 10 minutes to go another goalmouth scramble resulted in a jammy toe-poke finding its way in. The last 10 minutes were more of the same but the 5s kept strong and saw it through for a massive win against a strong oppo and a great start to the season.

Tiffinians 4's v OW 6's

The 6's had our first game of the season against Old Tiffinians. It was a long journey to East Molesey for an away fixture but everyone was excited to be back on the pitch playing football after what seemed to be a long pre season!

We started off playing a 433 formation and were knocking it about really nicely, Tiffinians didn't have a chance to make two or more passes. We were controlling the game. Around 10 mins in Tiffinians got a corner and it was unfortunately met by Andrew's head which sent it in the back of the net for an own goal. Completely against the run of play. The 6's heads didn't drop and we all knew there was something in this game for us.

After that, Tiffinians parked the bus and we started piling on the pressure. We wanted our equaliser. We had chances after chances, with Jordan cutting inside from right wing, Darin bursting through midfield and James K upfront. Shot after shot on target but they just weren't going in.

At half time we agreed to change to a 4231 and go more attacking. It started off positively but we experienced more of the same defensive structure from Tiffinians. Stridey came on at 60 mins and within 10 mins, he received a great through ball from Jordan, did a nice skill to get away from his defender and slotted it in the back of net to get our well deserved equaliser. Game on!

We continued attacking constantly but from doing this, it brought on fatigue which started kicking in and some of our passes were no longer connecting in the way they should be and shots were tired.

Around the 80th minute we received a free kick on the half way line but the delivery wasn't great and it was met with a Tiffinians header. It landed to Joe who didn't have a good first touch, which resulted in the pass back to Nathan at centre back not being great as it was rushed. This put him under pressure and the striker was able to come and steal the ball. The Tiffinians striker still had a lot of work to do considering where we were on the pitch but with quality foot work and pace, he was able to beat a couple players and slot it home for another goal that was against the run of play. 2-1 to Tiffinians.

The last 10 mins was again more attacking from the 6's, not giving up and giving it our all because we knew we deserved something from this game. However, Tiffinians continued to defend well and the full time whistle came. A frustrating loss but everyone took away the positives from the game. We were looking sharp from pre season and we created lots of chances, just needed to convert them.

Focuses are now on our game this weekend against Glyn, a fixture the boys are hyped for and looking to get our first win of the season!

Match Report: Old Tensions 4th XI vs Old Wilsonians 7th XI
Final Score: 10 Old Tensions vs Old Wilsonians 0

A tough afternoon for Old Wilsonians 7th XI as they faced a well-drilled and physically dominant Old Tensions 4th XI side. Despite the heavy scoreline, there were positives to take from a spirited performance, especially considering the youth and inexperience of the squad.
Old Wilsonians fielded seven players under the age of 18, while Old Tensions boasted a squad largely in their late 20s to early 30s — physically strong and tactically sharp. The contrast in physicality and game management was evident from the start, with Old Tensions executing a clear game plan and pressing aggressively.
Despite the odds, Dan Ellis stood out with a composed display at centre-back, managing the backline (he usually centre midfield). In midfield, Ade Dada worked tirelessly, offering energy and drive throughout. Special thanks to Bruce Stringer, who stepped up to play in goal and made several brave saves under pressure (first time keeper 50 years old !).
The team was forced into a makeshift back four, with an abundance of midfielders and forwards available. While the defensive structure struggled against the pace and power of the opposition, the commitment and effort from every player never wavered.
Five players made their club debuts, and while the result was harsh, the experience will be invaluable as the team gels and grows. Old Tensions look likely to be strong contenders — possibly even favourites — to walk the league this season.
Plenty to build on, and credit to the squad for fighting until the final whistle.

CLAPHAM PLAY THE TIGHT T-SHIRT GAME Clapham Old Xvarians 1 (5) 7th XI 1 (1)

Another Saturady and yet another double-header, our fourth in five weeks, and we made the worst possible start by allowing a Clapham forward acres of space to head home unchallenged. The 7ths struggled to get into the game and appeared somewhat lethargic, and maybe our attention had turned to the action off the pitch!

In the second half our thoughts became 'pure' and we slowly took control of the game, but the final ball was missing once again so, true to form, a long throw was picked up by Danny Blake and, although his shot was well saved, **JOHN STEWART** tapped home the equaliser. We finished the stronger and assumed we could take maximum points in the second game.

Clapham obviously did not realise this was to be the case, however, and by half-time we were 4-0 down, maily due to our deficiencies . We picked things up a little in the second half, conceding one and scoring one through **WILL HODGES,** but this was a very diappointing result.

Not much to remember from this game, apart from the tight t-shirt frisbee throwing girls.

CONVINCING PERFORMANCE FROM TEN MEN FOURS Old Bealonians 0 4th XI 5

A good result for the 4th XI after being reduced to ten men after ten minutes when John Cowell, after arguing with a boot, decided he preferred the attention of various buxom nurses to the not so attractive attentions of the opposing centre-half. (Sounds like a wise decision to me - ed)

Our first goal came after good work on the wing allowed **JOHN COWELL** a shot that balloned over the 'keeper after a deflection. Then came John's injury, after which Beals came more into the game, due more to our panic than their football, with only a good save from Brian Wells, who blocked one shot and then recovered to finger-tip the ball over the bar, prevented an equaliser.

Half-time came and it was only 1-0 but constant pressure from ourselves, and **JOHN MATTHEWS** in particular, enabled the latter to gain possession of the ball and hammer it home. This seemed to demoralise Bealonians who then allowed **JOHN MATTHEWS** to score his second with a header from a corner in the middle of a packed goal-mouth, but the real killer goal came from **DAVE STEWART,** who centred from the left and fooled their 'keeper into letting the ball go over his head and straight into the net.

Our fifth came from **LOU BARRY,** who slotted the ball home under the diving goal-keeper.

A BELOW PAR PERFORMANMCE Old Colfeians 1 1st XI 0

One had the feeling during this game that the outcome was pre-determined. It was not so much that Bill Morley and Len Boxall had commenced their attempts to out-do each other the previous evening, or the fact that the pattern of this game was very similar to our earlier Cup encounter, which we lost 0-2 under similar circumstances. No; it was more due to the fact that we never seemed to get going.

Colfes repreated their success formula, defending for lenghty spells and sneaking a breakaway goal to clinch victory.

It seems futile at this stage of the season to try and analyse reasons for our failure. A certain amount of bickering between members of the team obviously does not help but the reasons for our current lack of penetration seems to be a lot more complex. I must say that, watching from the back, their appeared to be a certain lack of effort and application in our play as we expected to win without having to work for our victory.

We could have won – the Colfe's 'keeper made some good saves from a Lee Montgomery volley, a Tony Maunder header and watched helplessly as a Bill Morley drive thundered against the underside of the bar – but they weathered the storm and ran out victors.

Paul Hannifan, I feel, deserves a mention for another improved performance, whilst others were disappointing and others mrerely competent but, in the contxet of this game, competency was not enough. Let us hope we can establish some sort of form in the remaining games to justify our previous good performances and ***every*** player worries about his own game before that of others. Rod Hall
