OWFC AGM 2017
This years AGM took place on the 4th July with 14 people turning up to have their say on the future of the OWFC. The main issues discussed were the amendments to the constitution. Those present unanimously voted in favour of amending rule 5(a) to include "brothers" in the definition of an Old Boy, while an amendment to rule 5(b), allowing two committee members of the OWFC Junior FC to recommend players to join the OWFC, was passed with a vote of 12-2. It was also agreed (13-1) that subs for 2017 would increase from £120 to £125.

Alf Parish Memorial Darts Match – Friday 2nd March

The annual Alf Parish Memorial darts match will again be held at Selhurst Park this year when defending champions, ***Old Wilsonians' Football Club,*** will be doing their best to retain their trophy

Three of last year's winning team - Matt Rand, the individual winner – Chris Billing and Doug Forbes will be steadying themselves at the oche, and perhaps also steadying their nerves at the cash bar beforehand but remembering that too much alcohol is probably not conducive to a steady throwing arm and realising that there will be plenty of time for celebrations once the competition has been completed

The event raised over £170 for the Football Club last year and participation this time guarantees that there will be more to add to the coffers, irrespective of the result, come the end of the evening

Entry is just £10 – think of it as a match fee – so please consider joining Matt, Chris and Doug to bolster the team, which can contain up to six players.

Supporters are also welcome and for just £5 they can enjoy:

A fun-filled evening of top quality darts

An excellent buffet provided by the incomparable Kane who heads the catering team at Selhurst and feeds the top Premier division players and managers on a regular basis – Jose Mourinho and Arsene Wenger may criticise referees but they have nothing but praise for the fare Kane provides

A raffle with super prizes – including a signed shirt by the Palace players, bottles of their famous red and blue wines - as in red and blue army – and two tickets for a game of your choice

The chance to raise money for the OWFC which, at the same time, will help keep your annual subs and match fees at the ridiculously low level they currently are

The chance to honour and remember Alf Parish or, if you do not already know who he is, to rectify that anomaly

If you are interested – either as a player or just wish to come along to enjoy the evening, then please let me know as soon as possible, whilst an added incentive to come along must surely be that the ***Old Wilsonians' Cricket Club*** are also entering a team.

POLYTECHNIC 3 – 0 OWFC 1ST XI

The 1s travelled to Poly with a much changed squad from last weeks AFA QF triumph, and in need of a win to keep momentum going and alleviate any relegation fears.

It was Poly who started stronger though, winning most aerial duels with their unnaturally tall side. And it was a corner that opened the scoring - a teasing ball in floated just beyond Healy and headed in from 6 yards out. After that Wilson's defended resolutely, and grew into the game. Ant Childs almost freeing Sellman and Howe down the flanks, but no real chances were created.

It was always Poly that looked the more threatening in the final third and despite Wilson's effort the second sucker punch goal came after about an hour. A Wilson's attack broke down and after a couple of ricochets Poly were able to counter and flooded men forward. The wide right player was able to cross the ball and pick from any number of Poly attackers to tap the ball home from a yard.

This knocked the steam out of the 1s and for the next 20mins there was a cycle of Wilsons goal kicks that were headed back and Wilson's weren't able to get out of their own half, and the cycle was repeated. It was one of these goal kicks that led to the third goal - a Poly midfielder latched onto a lose second ball about 30 yards out, drove at our defence and from the edge of the box scuffed a shot into the bottom right corner.

And that was how it finished. The 1s still looking for those final couple of victories that would guarantee safety.

OLD WILSONIANS 6TH XI 1 – 2 OWFC 5th XI

Derby day on Hayes and the 6s were keen to avenge the 3-1 defeat suffered earlier in the season. The pre-game team talk was made easier as we knew most of the opposition, allowing us to include specific instructions on certain members, such as what to do if Jon Small was in on goal – stay on your line as he will try to chip you – more on that later.

With the 6s youthful squad we were keen to ensure that we pressed high up the pitch, giving the 5s little time on the ball. These tactics worked, with the 5s being caught out at the back on a couple of occasions, giving the 6s confidence to keep pressing. One swift break down the right wing saw Dyki work his way in to the box and get to the goal-line. His low pass across the face of goal was met by Eglon and even he couldn't miss from there. He grabbed his first goal of the season to make it 1-0.

The 6s were on top and the 5s were struggling to deal with their waves of attacks. A few tasty challenges were being made and the ref had a hard job keeping everyone calm. A fiercely struck free-kick from Charman was pushed away by Adams in the 6s goal but there weren't many other opportunities of note. That was until Jon Small was played in on the right hand side, and to nobody's surprise he chipped the ball over Ed, who clearly wasn't listening to the pre-game instructions. 1-1 and half time.

We knew if we could keep the scores level late in to the game our more energetic side would stand a good chance at nicking it at the death as the 5s tired. Unfortunately a free-kick was headed home by Billings to make it 2-1. The half went on with plenty more challenges flying in from both sides, some of which seemed a bit over the top. Toby was also lucky to escape with just a yellow after bringing down their striker when he was the last man.

The 6s continued to push and were denied what would have been a well deserved point by a stunning save from George, who somehow managed to palm away Dyki's rasping drive, meaning his hunt for goal number 100 goes on.

Despite keeping the ball well the 6s were unable to create any clear-cut chances towards the end of the game and left the pitch disappointed not to have come away with a point. We will need some big performances in the last few games to ensure we distance ourselves from what is a very tight bottom half of the table, but if we play like this going forward, and Eglon adjusts those sails correctly, we should pick up the required points.

Team: Ed Adams, Jake Lawrence, Steven Wicks, Ash Phakey, John Jones, Chris Dyki, Jake Stanmore, Tom Dixon, Nick Page, Callum Wrenn-Smith, James Eglon, Toby Sheltonn, Robbie Adams.

OLD BLUES 3RD XI 10 - 2 OWFC 7th XI - <INSERT PUN HERE>
For 3 weeks in a row it has been quintessential winter football - cold, rainy, and pitches with a hint of grass. And so it was that we travelled to south-west London, with a much changed team bolstered by the 8s, to face a side hitting top form.

We needed to start well...and didn't, with their near-unplayable front man bagging a hat-trick within 20 mins. 7-0 down at half-time, the game was pretty much done, and what remained was to play for pride and show much more fight. We were able to do this in the second half and it was a much better performance, even managing to claw back two goals through CAIN CRUZ and MANDEEP DHARIWAL.

Winter has arrived for the 7s; all there is left to say is that we put this week behind us, and focus on the next.

WE DID EVERYTHING WRONG BUT STILL WON! Old Guildfordians 1 4th XI 4

To accommodate Graeme Nelson's drop off of the evening's Disco gear, the meet was a little late for the trek to Guildford. John Eccles and Kevin Sullivan were then late and were duly fined £2.

Andy Kirchin led the convoy and then inexplicably went on a tour of Surrey before finally arriving at the ground and the resultant hasty change and dash to the pitch were not conducive to building the right spirit and attitude, but, fortunately for us, Guildfordians were very poor opponents and, despite our lack-lustre approach, we soon took the lead through an instinctive strike by **JASON BURGESS.**

The second came soon after from a near-post corner which was flicked on by Kevin Sullivan and Lou Barry successfully for **DAVE STEWART** to calmly convert, and the third followed after we had started to coast, with some good work by Dave Stewart finding **JASON BURGESS** free once more and he took on and beat defenders before scoring a well-taken goal.

Three goals up at half-time and an attempt was made to try and work up some enthusiasm. However, the work rate stayed low, with the notable exception of Dave Stewart, who was everywhere, and John Eccles, whose pace was always a problem for Guildfordians.

Continued on next page…

All Our Yesterdays - 25 years ago

We continued to create chances without really trying and Kevin Sullivan was unlucky on a couple of occasions, although he really must learn to stamp his speed and skill on the game no matter how poor the opposition may be. One of his chances was adjudged to have been handled and **CLIFF MILLEDGE** coolly converted the penalty.
As the game went on the boredom factor increased and Cliff Milledge was unlucky enough to score an own goal and we were guilty of further complacency and almost gifted Guildfordians a second goal right at the end.

We are still top of the league and, despite this flat performance, which is more than can be said for the pitch!, I do note a difference this year, namely that we are winning this sort of game because we are scoring goals. However, if, at the end of the season the points between ourselves and, say, Clapham old Xvarians, are level, we may have very good cause to look back and rue the day that we did not dominate Guildfordians by the ten to fifteen goals we deserved.

Despite all this there were good performances from John Eccles and Dave Stewart and an impressive first game from Jason Burgess, and thanks to Kevin Crosley – a guest – who had a competent game at right-back for the second time this season.

The 1st XI were lucky. Colfes played similar football to ourselves but, on Saturday, were very much faster and deserved to be at least two goals up before **DAVE BARTLETT** drove home with a fine left-footed shot from the edge of the area.
GERRY REASELEY got our other goal when, after making a 40 yard solo run and hitting the post, he was very lucky indeed to get the rebound. We were 2-1 up at this point and might well have won the game. The defence, however, decided to dilly dally somewhat and you know the result. There may be changes next week.

Dave Hoare, playing in goal, had an excellent game for the 2nd XI and **'MAC'** scored. 'Mac' scored! **'MAC' SCORED!!**

MIKE (I'd love to put him on my mantelshelf) **HARRIS** played very well for the 4th XI, I hear, and got two very good goals. Dave Vidler provided the pass for Mike's first and this was in the opening seconds of the game. Dave did not do anything else for the rest of the game since he wants to save himself (he sleeps in a piggy bank) for the five-a-side games in a few weeks time.

The 5th XI were 2-1 down with 15 minutes to go and finally went down 6-1, but Grammarians did not really deserve to win by that many. Two men short, **AGAIN**, John Gehringer very kindly played on the wing and Trevor Stevens' 14 year old pal made up the 1. I think it is about time that the Selection Committee discussed this very seriously.

Rangers left it very late to consolidate their lead at the top of Division Two at the expense of off-form London rivals, Crystal Palace, who have not won away from home since September. **TOMPKINS** scored a good consolation goal for Palace in the 78th minute when he headed down a loose ball and smashed it past Springett from 15 yards.
