SUCCESS OF 3RD XI COULD COST CLUB A FORTUNE IN MEDALS John Fisher OBs 0 3rd XI 4

On a hot, sunny day and on a very bumpy pitch the 3rd XI had another convincing win. There were, yet again, more changes in the side and Clarke Quarrington informs me that, this season, we have used more than 40 different players. Sounds like the England team!

We won the toss and decided to kick down the hill and, for the first 20 minutes, seemed to be playing only at half pace when, suddenly, **DUNCAN HAYWARD** was put through by a good pass from Joe Leach and put the ball firmly into the back of the net. However, we decided to sit back again, which gave John Fisher the incentive to come forward and create several good goal-scoring opportunities.

Then, with about ten minutes of the half left to play, Ashley Dyer floated a long pass over the heads of the Fisher defenders for **SI' GILES** to slot the ball comfortably home from the edge of the box. Half-time, and we all agreed that we needed to up the tempo.

Straight from the kick-off we took the game to our opponents and **NICK BILLING** scored a simple tap-in following a good header from Si' Giles, which the 'keeper could only parry with his knee! To be honest, I cannot remember how **ASHLEY DYER** scored our fourth, but he did.

An excellent game from Joe Leach, who did not stop working up front, and another solid performance from the back four, who have now gone three games without conceding a goal. Not wishing to tempt fate, but a win next week and the league title is ours – touch wood, etc, etc. Kelvin Wing

ALL OUR TODAYS

TIME FOR THE LEAGUE TO TAKE ACTION West Wickham Reseres 1!! 2nd XI 1

Another week, another team with 1s players (West Wickham) - it is actually getting boring, but with a league who does nothing about it, nothing happens! Anyway, with the pressure off our backs we played very well and I thought, on chances, just nicked it.

We certainly started better and were soon in front when **KARAMATH** controlled well and drilled the ball home. Minutes later he had a similar chance which was deflected and the 'keeper made an excellent save onto the bar. West Wickham got the equaliser against the run of play after some poor goalkeeping. 'Rent a player', Charlie McGreary, used his 1's pace to get in behind but his chance was snuffed out. Ashworth took an age to pick the ball up and was tackled, leaving their midfielder with an open goal, except Smart lying on the line. We went back on the attack and Elliott hit the bar with one free kick and narrowly missed with another.

In the second half we were against the wind and the slope. Although West Wickam had more territory, most of the game was spent watching Smart get the ball from the woods. The home side missed a good chance when we did not deal with a punt forward and, later on, a good ball forward was missed by their striker. At the other end Giles went close just after half time and we were a threat from set pieces. With seconds remaining Williams was adjudged offside despite being behind the ball, although this did save him the embarrassment of missing an open goal.

All in all a good result for a patched up 2's against a very strong West Wickham side. A big thank you to the three 3's players who helped the side out. Mom went to Ben Carruthers.

THREE POINTS BUT STILL BOTTOM 9th XI 3 OLD SALESIANS 3RD XI 2

Our first game in three weeks had an inauspicious start as we discovered that whoever was supposed to wash the kit three weeks ago (*cough* Doug Forbes) failed to do so.

Putting the unfortunate smell to the backs of our minds, we headed into this fixture with confidence - with several university boys in the team, it was our strongest starting line-up for some time. Salesians are a good side, however, and beat us 4-0 recently, and showed why when they took the lead after half an hour following a good move down their right hand side.

This was unfair on us, as we'd had the majority of possession and a couple of excellent chances. We did not let our heads drop, and shortly after, when a corner from Luke Curran caused all sorts of confusion in their defence, **WILL GUNNELL** finished coolly from short range. It was 1-1 at the break, and we felt that the game was there for the taking.

We were awarded a penalty after Dave Gunnell was brought down by the 'keeper, having been sent clean through, and **WILL GUNNELL** made no mistake and we took the lead. After a blatant shirt-pull, we were awarded a free kick in an excellent position, with **JAMES GUNNELL** taking full advantage.

Salesians got a consolation goal with the last kick of the game following a mix-up in defence, but we always looked like winning. Unfortunately we are still bottom of the league, but there are only a few points in it – more performances like this and we could even finish mid-table! Roddy Trompiz

Team: Nev Spencer, Michael Hoffmann, Fred Chinnery, Matt Hallett, Roddy Trompiz, MandeepDhariwal, Mervin Nicholas, Will Gunnell, James Gunnell, Dave Gunnell, Elliott Sutherland, Matt Gundry-White, Luke Curran

A DISAPPOINTING BLIP 8th XI 0 HSBC 7th XI 5

It has been a while since I have not had the joy of putting a player's name in bold. We have been prolific in front of goal, so I can usually put three or four players down as scorers and barely have to talk about opposition goals. This week we were flat, the energy was about 50% as to where it would be normally, we were second to every ball, missed that yard of pace and communication was, frankly, poor.

After some heavy pressure from the opposition, I would have to claim fault for their first goal as I contested a bouncing ball with their winger, who nicked in front of me and took a shot which was saved, but the resulting cross bobbled across the goal line, bouncing over and under feet and hands for their winger to tap in. Soon after they scored an emphatic second from what was a good corner, although our goalkeeper was impeded, and this was noted by the referee when our 'keeper was able to superbly claim a similar corner with both hands later in the half.

At this point we were finding it hard to string more than two passes together. We tried to battle but kept losing out. There were nervy moments but their third came from a mistake when dealing with a long kick, allowing their striker to tap into an empty net - 0-3. (when was the last time I wrote that!!!).

We changed the formation in the second half and went to two up top. This helped us fathom a few chances, but only ever half chances. We looked more in control and started taking the game to the goal mouth but never tested the 'keeper in any decent way. We were shut out on the wings and congested in the middle. Playing a high line on the 1's pitch was our downfall, as two further goals came from counter attacks.

All in all, a serious blip against a team we beat 5-1 earlier in the season. Yes, they are top of the league, but only by a game in hand. Maybe it was the Easter eggs but we need to step up significantly next week and play our game, a double header against third placed Ibis Eagles. We need to win both games and ensure we are clearly in the top two. Himish Patel
