OLD WILSONIANS FOOTBALL CLUB ‘All the News that’s fit to Print’

SEASON 2020/21 NEWSLETTER 9. No. 1,720.

Stupowfc@gmail.com

It was good to see a number of schoolboys play again across the sides, with the 7th X1 report written by one of their own, Ollie Flowers, this week. An excellent effort.
The 1s lost again by the odd goal in the League. It would have been disappointing to lose having scored twice away from home. Senior Div 1 is very competitive and with almost a third of the season completed they face a real challenge after the ‘winter covid break’.
Speaking of Covid, the 2s game was called off after an opposition player tested positive.
The 3s won heavily at HSBC against a team that have struggled this season, hopefully this result will now see the 3s start to climb the table in Div 1 Sth. Two hat tricks to report on page 7.
Title challengers the 4s won 2 – 1 again, their favourite score line and Div 2 Sth is shaping up nicely with West Wickham and Carshalton Reserves firmly in the mix.
Fives scored four away at Merton but conceded five, adding some symmetry rather than a point to the result; whilst the 6s also went down by the odd goal in three.
Standout results this week came lower down with the 7s winning in the AFA Cup against Poly whilst the 9s have now been confirmed in a new Division Div 5C South. Their first competitive match against Old Blues saw them run out 5 1 winners. Match reports at pages 9 and 10.
We now enter another period of ‘lockdown’ and any news will be communicated via social media and the website, stay safe. Non Sibi Sed Omnibus.

3s V HSBC 2s, Away, Won 10 - 2

On a wet and windy afternoon, Old Wilsonian's 3s travelled to HSBC away, which meant only one thing. Goals, goals, goals. And we did not disappoint.

The 3s lined up with a mixture of youth, ageing youth, and the outright old. We welcomed 3 of the standout performers from last weeks' extra time cup victory to the starting line-up; Emman, Finlay and George, the latter of which claiming a personal keep-up record of 1000+, to a seemingly unimpressed Dan Harris.

The game started quickly in Wilson's favour, with Teddy Farmer continuing his rich vein of form by slotting away a tidy finish, to give Wilsons a lead that we never looked like relinquishing.

That was quickly followed by Emman's 2nd goal in as many games for the Old boys to put us in control of the tie. Not to be outdone by the youngsters in the team, old boy Watson assisted himself with a flick on, followed by a 30 yard, dipping, rasping half volley that bamboozled the HSBC keeper, who was getting pretty good at picking the ball out of his net by now. Little did he know, he was going to become a master of this and get plenty more practice.

Emman wasn't happy with 2 goals in 2, he decided 3 in 2 sounded better with a sumptuous lob over the helpless HSBC keeper to make it 4 for Wilsons.

HSBC pulled one goal back, but unfortunately for them, this just spurred the visitors on, as Wilsons added a 5th shortly after from the ever-reliable Gilson from the spot. Not be out-reliabled (Mmm, not sure about that word, Ed), Jimmy Taylor poked home a 6th for Wilsons after some excellent build up play through the middle from George and then down the right flank from the club's best Right Back, Nick Page.

HSBC scored their final consolation goal of the day before Emman decided that 3 in 2 sounded pony, so he rifled home Wilson's 7th and his hattrick goal of the half. 3 in 45 mins, and 4 goals in 2 games, yeah that sounds better.

Wilsons went into the break 7-2 up and feeling pretty good about pre-lockdown life, the sun was even shining and Harris starting to crack some of his top-drawer dad jokes.

Cejay "I've only got 20 mins left in me" Watson, added an 8th straight after the break and quickly declared "skipper I'm fine" as he sniffed a second Wilson's hattrick of the day. Jimmy "I don't share my pints" Taylor then threw his hat into the hattrick-ring with another tap in from close range.

Some fantastic stops from Finlay and a goal-saving challenge from Ayo kept the gap at a modest 7 goals.

As if the day couldn't get any better, 9-2 up and the sun shining, we were then blessed by a guest appearance from John Howe donning the latest Wilson's clobber, the black and gold winter-busting bobble hat.

Cejay then completed his much-deserved hattrick to round off a glorious performance.

Following a quick tech-lesson introducing the "App Store "to Jimmy T, freezing-cold outdoor pints followed in O'Neills, Beckenham to cap off a great afternoon.

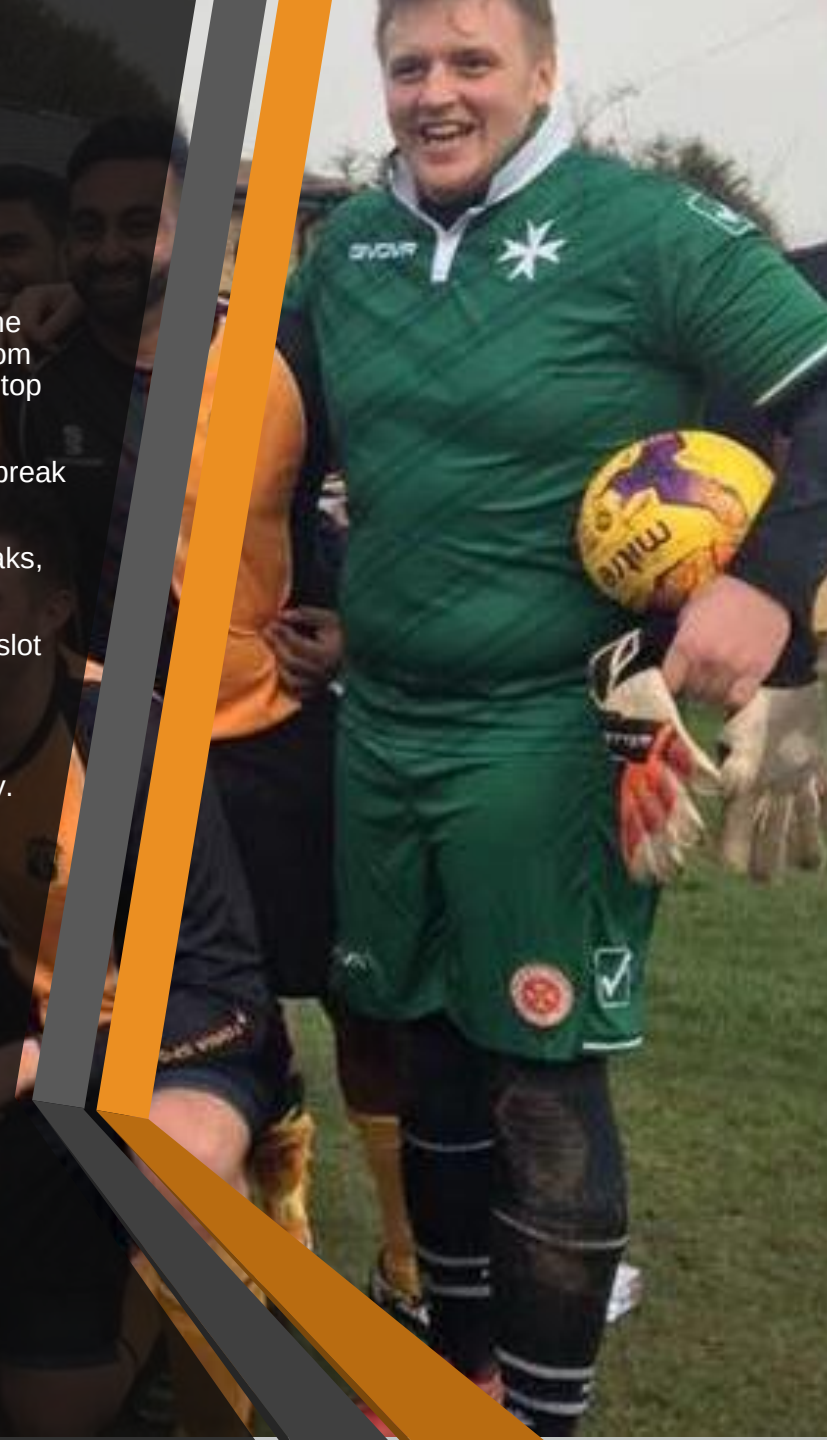

If this does end up being the last game for a few weeks, what a way to momentarily sign-off.

Line-up: Finlay, Davies-Winifred, Harris, N.Page, C.Filmer, Tiffin, Walsh, Gilson, Emman, Cejay, Teddy

Subs: Chibu, Ayo, Jimmy T

Goals: Emman x 3, Cejay x 3, Jimmy.T x 2, Gilson, Teddy

2s v Old Actonians, Away, League, Won 2 -1

The 4s were returning to acton for the 2nd time in 2 weeks and as we all know with Acton away, it never really goes to plan.

With 2 players in Jazza and Prav turning up right on kick off, we needed the remaining Wilsons 4s to turn up on time....

Well that didn't happen, resulting in Ian (Chunk) Wellman making his comeback from injury 3 months before expected and starting the game as the lone striker, striking fear throughout the entire SAL 2nd division of news of the return. Sadly after an awful back pass from their centreback, Wellman managed to find himself 1 on 1 with their keeper and decided to try and find the corner flag instead of the top corner. Comeback nicely over after 15 minutes.

Fortunately Prav and Jazza Drummond turned up and the 4s strongest side was on the pitch and it only took a few minutes to us to break the deadlock with a beautifully delivered corner from Frank Fenton into the box falling perfectly at the end of the **Sam JAMES** foot.

1-0 and the 4s proceeded to play some of the best passing football we've seen all year. Excellent link up play with the French trio Haks, Taslim and Franc in the middle left Acton with very little ideas.

The 2nd came afterwards with every defenders worst nightmare **Gabriel** '**Gabz' ADEBAYO** pulling off some excellent acrobatics to slot away the 2nd.

Half time came we felt confident and assured today was going to be our day.

Second half came and after a series of late challenges big Jazza had a head loss leaving Acton with a penalty that they slotted away.

The rest of the game was pretty scrappy with the mud getting the better of both teams but the 4s held on for a great away victory.

Unbeaten in the league going into lockdown again.

Up the 4s.

6s v South Bank 6s Home Lost 1 -2.

Wet day, slick pitch, lots of wind... the makings of a scintillating match.

Setting up with a 4-5-1 we found ourselves up against a 4-2-4.

Early days and the high front line of the opposition pressed our defence when we were on the ball.

We played a possession game trying to work the ball up the pitch and down the channels for the pace of Rand and Gilbert to latch onto.

Unfortunately, we were sloppy in possession at the back and allowed the opposition to get a simple goal through giving the ball away.

Heads stayed high though and we quickly responded with a fast break on the right and a tasty ball from Martin finding and oncoming **FEVZI** to equalise at the back post.

From then on we pressured high up the pitch and hassled them constantly.

Their defence started to look shaky and a few mistakes led to some opportunities. Rand hassled, Stride chased every ball and the midfield three of Fevzi, Fairhurst and Martin hunted down every loose ball.

At the back we looked calm and kept playing out however we could not find and clear cut opportunities.

Second half came with an early goal from the opposition as their winger floated a cross that went into the top corner of the goal instead. After conceding, the pitch started to dry up and the wind was stronger. The game started to fade. No team really dominated and no clear cut opportunities arose.

We managed to have a surge in the last ten and tried to sneak a goal in however it was not to be.

Tough game to lose given how well we played... Let's see if we have a game next week or not..

7’s v Poly 8’s, AFA Cup, Home, Won 4 – 2.

7s v Poly 8s, AFA Cup, Home, Won 4 - 2

After a morning of torrential rain, the 7s were relieved to receive a message from pitch inspector Philip Platts that the pitch was “good” and “not waterlogged”. The game was on, and against a strong Polytechnic side, we knew it would be difficult. Even at kick-off the weather was far from ideal, and as the rain beat down the boys took their positions.

With Doug between the sticks, Harry, Sam S, Billings and Toby formed a back line which, although promising, lacked game time. Sam Forbes looked to provide extra support as a holding midfielder, whilst Ollie, Fraser, Doyley and Madz made up the rest of the midfield. Ever-present Jonny Q was up top as a lone wolf as the referee’s whistle blew.

Wilsonians started the game with a quiet intensity. Although we were quiet, a strong midfield press made sure that Polytechnic had little time on the ball, and the defence were quick to establish themselves physically, the centre half pairing of Sam Stuart and Billings putting in some crunching challenges and thumping clearances. Pressure gradually began to build in Wilsonians’ favour, and after a number of magical dribbles from Fraser and Sam Forbes, a game of pinball in Polytechnic’s box ended with **Ollie FLOWERS** sliding to slot the ball in from a bizarre angle. A well deserved one-nil to Wilsonians.

For the rest of the half, the boys proved themselves the better team. Polytechnic were constantly caught in midfield and were visibly frustrated with their lack of chances - they ended up letting themselves down with a number of naughty challenges. Just as we began to feel we were closing the half out, a collective lapse in concentration led to a Polytechnic goal that completely ran against the grain of play: the half ends with one goal for each side.

Unsurprisingly tired after a largely dominant display, Wilsonians sat back and listened to the inspiring words of Doug and Billings at half time. Fresh blood in the form of Plattsy in central midfield and Ire at centre-back meant that Sam Stuart and Madz took a well-deserved break. At the start of the second half the question was: could Wilsonians return to their early intensity to close out this game? Luckily, the team had answers. (That’s good, Ed)

The relentless midfield press made a comeback, and this was richly rewarded as **Ollie FLOWERS** pressed their fullback and keeper in quick succession, leaving himself only with the task of tucking it away. He instinctively dinks it with his weak foot, wrong-footing the keeper to bag his second. 2-1. Almost a minute later, **Jonny Q** – who had given a classic Jonny Q performance from the first whistle – bullies his way past Polytechnic’s defence to take advantage of a pass courtesy of Plattsy. He takes his time, only to put it coolly past the keeper with a confidence that would’ve made Cantona blush.

Wilsonians now led by two, but couldn’t allow complacency to creep in. For a small time after this, we seemed to hit our stride. Toby and Harry at fullback injected some youthful energy and pace on the flanks, whilst Doyley was all over the left-wing like a rash, always cropping up in awkward places. But it was **Fraser** who claimed the fourth. Elusive dribbling meant the Polytechnic midfield stood no chance, and before the defence could get a sniff of the ball the midfielder had already let fly. Gliding into the back of the net, the goal of the match had more or less put the game to bed, but the team was tiring.

Two more substitutions saw the return of Sam Stuart and Madz to steady the ship, but even this wasn’t enough to prevent a Polytechnic consolation goal. After a nervy final fifteen, the final whistle blew on an overall strong performance which places us 4th in the league with a game in hand. Despite strong performances from Doyley, Sam and Ollie, it’s only fair that Man of the Match goes to Fraser for his domination in midfield and wonder-goal to top it off.

Final Score: 4-2 to Wilsonians. FLOWERS 2, Jonny Q, Fraser.

9s v Old Blues X1, League, Home 5 - 1

After much clamour for a new league to be formed, following SAL confirmation earlier in the week the 9s and Old Blues - sanctioned by the league became the first fixture of JDS 5C.

The weather was doing it's best to put the fixture in doubt but upon turning up at Hayes and Hawes Down all doubts were cast aside with the pitches in immaculate condition. Gaffer 'Hoffmeister' unable to partake in the first league game due to injury assembled a strong squad and was looking to build on the 4 pre-season wins.

A strong pre-match team talk coupled with a cultured 3-5-2 formation (Ian Wellman take note) ensures the 9s were bang up for this game. Shooting uphill into the lashing wind and rain the game started at pace.

The 9s were on the back foot with Old Blues popping it about quite nicely with some sprightly and technically sound youngsters in the middle causing us issues. They went 1-0 up from a corner and it was not the start the 9s envisaged.

However, clearly there is a strong team spirit in the 9s and everyone rolled up their sleeves. Middle Hoff at RWB was setting the tone with excellent challenges and providing an outlet on the right whilst Mason and Rambo were getting to grips with the midfield. On a number of occasions our strikers were through but some excellent goalkeeping kept Old Blues in front. 25 minutes in we drew level when an excellent in-swinging corner by Mason was headed into his own net by **OWN GOAL**. 1-1

The 9s were now on-top however 2 hamstring injuries in the first half meant a re-shuffle with Adam going in goal and Jordan coming off the bench. Half-Time arrived and coming in level having gone uphill first half is a great position to be in. Cue more great managerial points from the coaching staff with freshly cut juicy oranges bought from Surrey Street Market being enjoyed by the team whilst 'Hoffmeister' set out his game plan for the 2nd half.....and what a 2nd half that was. (Can't wait, Ed)

Kicking down hill the 9s made use of this advantage keeping Old Blues penned in their half. Birmingham was keeping their defence occupied with some excellent work rate whilst Nathan and Jordan were causing problems on the wing. It took a special strike to put us 2-1 up when **JORDAN ADEJUMO** unleashed a rocket into the bottom corner. We stretched our advantage when again some good interplay saw **JORDAN ADEJUMO** played through and he slotted last their keeper to make it 3-1. One more would kill it off and thinking his first goal wasn't good enough **JORDAN ADEJUMO** smashed another even better belter with his left peg to make it 4-1.

At the other end the defence were getting bored which resulted in a number of mazy runs up the pitch from all 3 CBs - Sweeny, Bheenick and Coughlan all trying out do each other. Mason hit the bar with a dipping free kick and a few more chances came and went with a big penalty shout being turned down.

The icing on the cake came with 10 minutes left and who else but **JORDAN ADEJUMO** this time scoring direct from a corner and celebrating with an Obafemi Martins like back-flip to the joy of the on-watching crowds. The 9s played out the game with ease securing an emphatic win in their first league game of the season. Cue a few jugs of beer after the game with Hoffmeister now unbeaten in 5 and starting to attract attention from the Big 5 in Europe.

STORMING SECOND HALF DISPLAY BRINGS REWARD 1st XI 3 Old Reptonians 2

An inspirational team talk before the game had a lot to do with the 1st XI winning this important AFA Cup game. The emphasis was om trying to play to the same system as Liverpool – what more inspiration do you need?

The new system included four 2nd XI players from last week, who performed well, along with the rest of the team. The 1st XI started well, with Dave Joliffe and 'Trouty' working hard up front. Unfortunately this went unrewarded as we let in two soft goals from two set-piece's before the break

In the second half an inspired substitution brought Mark Pope into the fray and we started to put more pressure on Reptonians and were rewarded with a penalty which was slammed into the top corner by **IAN MURRAY.**

This was then followed by a mazy run by **MARK POPE** who finished with a rasping drive which the 'keeper decided to throw into his own net and the comeback was completed when **'TROUTY'** finished off following a good through ball from 'Kendo' on the edge of the area

Overall this was a good team performance and we showed a lot of sprit in coming back from a two goal deficit

THE EFFORT WAS GOOD – NOW WE NEED TO THINK Old Suttonians 2 7th XI 1

Old Suttonians at Priest Hill is, to me, the epitome of 7th XI football and it was a fixture we were hopeful of winning. The game provided three more schoolboys with their Old Boys debut whilst, at the other end of the age scale, Mike Kendrick's first game of the season, kindly stepping in at short notice

Defending at the bottom of the hill for the first half we were under pressure early yet Suttonians were rarely able to threaten our goal until slack marking from a corner allowed their advancing defender the opportunity to head powerfully home

The second half produced slightly better attacking moves with the midfield occasionally linking well. However, our attacks on goal were all too rare whilst the defence continued to work hard and coped adequately with Sutt's attacking moves

Our equaliser came when strong work from Dominique Attrell created space for Rishi Pattani, in the box, to link well with **DANNY BLAKE,** who finished off the half-chance very well but, and with the game heading for a draw, Suttonians scored the winner after an unfortunate error from our 'keeper allowed their striker to walk the ball in

This was a disappointing result as we had battled hard and maybe deserved a point. The effort could not be faulted and we played the game without really thinking about what we should be doing, so improvements could be made there

COMFORTABLE VICTORY BUT WE NEED TO BE MORE RUTHLESS 2nd XI 4 Inland Revenue 1

At last our efforts have proved fruitful. Against a physically small side we managed to finish the good moves where it matters most – in the back of the net. We began confidently and, for most of the first half, the ball was in and around their penalty area, the defence replacing any ball which dared to cross the half-way line.

Whilst Ted Gibbons was doing anything he wanted and Colin Hand running intelligently into spaces, it was not surprising that the goals came, and this they did, **COLIN HAND** scoring two and **TED GIBBONS** easing in the third after drawing the defence

The midfield was always in our control and the defence contained the Revenue forward line to such an extent that Ian Forbes could often be seen thundering his way through the middle of the pitch, but, unfortunately nobody has yet heard his screams so we are not sure whether anything constructive will ever come from these forays. Nevertheless, it does at least confuse the opposition

Being 3-0 to the good we began the second half knowing it was our day and, although we never intentionally eased up, our play lost that extra bite. **TED GIBBONS** added a fourth but, with ten minutes to go, we conceded an unfortunate goal when the wind caught a hopeful lob which John Ford, at the height of his jump, could only just reach. An opposing forward managed to touch the ball towards goal and Si' Wills could not quite reach it, but still sprawling through the mud he was able to clutch the ball three times before it finally crossed the line

For the benefit of those spectators who saw this incident, and subsequently reported an alligator crawling through the reeds, I can assure them that the scales were on Simon's jersey and it was his long hair blowing in the breeze, even 'though his movements, admittedly, seemed authentic enough

Although this was an easy victory, we must learn to be more aggressive in the tackle and more ruthless when we are in the lead. Goal average can decide promotion or relegation and we must therefore make the most of our chances, particularly in league matches Brian Turner
